"MIRACLES."

In the newspapers of the day are to be seen advertisements of medicines which perform "miraculous" cures. Messrs. Brown Bros. & Co., Druggists, of Halifax, N. S., proprietors of Pattner's Emulsion of Cod Liver Oil, Simson's Liniment, Simson's Jamaica Ginger, etc., wish to state that their preparations do not perform "Miracles;" but for the several purposes for which they are recommended, they are far ahead of any others in the market. They are for sale by all Dealers.
