HEAD OFFICE:

164 St. JAMES ST., MONTREAL.

This Company is remarkable for the following
features of interest to assurers:—

1. It is a Canadian Company incorporated by a
special Act of the Dominion Legislature, and invests
the whole of its funds in Canada, thereby giving to
its Policy Holders the benefit of their own premiums.
2. It has made the required deposit with the Do-
minion Government, for the absolute security of its
Policy Holders.
3. Its investments are of the most select character,
and command a high rate of interest, making it profit-
able to its Policy Holders.
4. Being under an experienced management, by
which its funds are husbanded, recklessness, waste
and ruin, incident to companies in the hands of novices
are avoided.

With these and other inviting features made known
on application to the Head Office or to any of its agen-
cies, there will be no cause for surprise that during the
past twelve months of unparalleled depression in trade
the Company has done

MORE THAN A MILLION

of new Life business besides Accident.
