BIBLE STUDIES
ON THE
International Sabbath School Lessons for 1893,
BY REV. GEO. F. PENTECOST, D. D.
Paper, 60 cts. Cloth, \$1.00.

This excellent commentary is growing in the favor of Bible students. Its treatment of the lessons differs from that of the other lesson helps, being of the topical and expository character. From the abundance of golden opinions we select the following as representative

PRESS NOTICES.
For clearness of analysis and spirituality of treatment these studies are perhaps the peer of any offered to Sunday-school teachers.—The Assistant Pastor.
An excellent expository volume, pervaded by the spirit of truth and light. It is intensely spiritual.—The Canadian Methodist Quarterly.
Dr. Pentecost is permeated to his heart's core, with the evangelistic spirit of the gospel. He gives in these notes the very marrow and fatness of the gospel. The missionary studies, as we might expect from a man in such deep sympathy with the cause, are of special interest. The exposition of the temperance lessons is also specially strong.—S. S. Banner.

Dr. Pentecost's Bible Studies have been for several years among the most widely used of the many valuable lesson helps which are issued from the press. This prominence has been secured by their striking merits. For the size of the volumes, this is one of the cheapest of the lesson helps, as it is one of the best.—Onward.
