

**MONTREAL MINING EXCHANGE.**

The selling at the morning session was better than the buying. Virtue was very sick and from present indications no encouragement is given to buying it. The proposed purchase of the Commander is accepted by some as an admission on the part of the company that a new property is needed. We would not sell at present prices.

Republic was offered at 125 and a fair business was done. The demand was limited. Golden Star advanced and closed steady. Decca was offered down. Black Tail sold at 22½, for which the same price would be paid for more. Slocan-Sovereign was steady at 26. There was no encouragement to buyers at end of morning session. Golden Star is ex-dividend.

**REPUBLIC STOCKS.**

I have some special offerings on hand, and it will repay the investor to keep in close touch with me. Commissioner H. L. Percy, my Republic representative arrives in Toronto within the next fourteen days. Upon his arrival we shall take pleasure in laying a promising proposition before the investing public. Associated with us in the undertaking—which is by the way in the neighborhood of the great Mountain Lion—are General Manager James F. Harvey of the Republic, Jim Blain, and Lone Pine, mines, Thomas Clark of Republic, and other experienced mining men. Among the lower priced Republic stock list just now I can recommend Reindeer, Jumbo and Golden Lion-Kittie Four Consolidated. Particulars upon application.
