**GREAT = WEST
Life Assurance Co.**

"The more liberal a policy is made consistent with safety, the more policies are to be issued. And this the Great West folks seem to believe." *Vide Monetary Times, April 17th, 1890*

*

The above undoubtedly refers to the Great West Collateral Security policy which gives to policy holders:—

- The **LARGEST** Cash Value.
- The **LARGEST** Guaranteed Loan Value.
- The **LARGEST** Guaranteed Paid Up Insurance.
- Freedom from restrictions to residence or occupation.

All these guarantees are backed by a Reserve calculated on the 4 per cent. basis.—The Great West Life being the first and only Canadian Company that has, from its inception, provided this security for its policy holders.

What takes well with the insuring public is a good thing for Agents to have.

Successful Business Men

Finding it to their advantage to invest most of their funds in their business, too often neglect securing sufficient insurance on their lives for the benefit of their wives and families. They are generally aware of the great value of insurance as a protection to the estate but being so deeply engrossed in matters affecting their particular business, overlook to a large extent the important matter.

Some, however, are averse to placing a large amount of insurance on their lives owing to the exceedingly high premium rates chargeable on investment plans in comparison with those obtaining the investment element.
