Kingston Rifle Association.

The annual prize meeting of the Association opened on (Tuesday Sept. 19th,) at the Butts, Barriefield Common. The weather was not at all favourable for good shooting, there being a sort of fog hanging over the ranges and the wind blowing right across them. This will, in a great measure, account for the smallness of the scores. The shooting begun at nine o'clock, the first shot being fired by Mrs. Oliver, wife of Dr. J. K. Oliver, the Secretary of the Association, who scored a bull's eye. The shooting then proceeded vigorously during the whole day, the firing in two matches being completed. The attendance of riflemen from Hamilton, Toronto, Belleville, Napanee and Ottawa, besides local shots, was large, and much interest was manifested in the firing. Below we give the scores of the two matches fired off:

CARRUTHERS' MATCH.

This match is for prizes to the amount of \$50, given annually by Mr. John Carruthers. For about ten years Mr. Carruthers has given this prize, and the Association are very grateful to him for it. Although Mr. Carruthers is generally absent from the city at the time the match is fired off, the money is always forthcoming, and the riflemen are under a debt of gratitude to him for thus supplying the means of a pleasant match. It is open to all members of the Association, seven shots each at 500 yards. The money is divided into thirteen prizes, and resulted as follows, the shooting being very good;
