Holloway's Ointment and Pills.—Wonderful Remedies for the cure of Scalds and Burns.—Amelia Anderson, of Sydney, N.S., was accidentally severely scalded by some boiling water falling over her. The whole of the right side and leg in particular was in a most shocking state. Something in the hurry of the moment was applied which caused the flesh to peel off almost to the bone, and rendered her utterly unable to live, she was carried to bed, medical assistance called in, and her recovery despaired of, it so happened, that a friend who paid a visit that day, had just been cured of a dreadful bad leg by Holloway's Ointment and Pills, and she recommended the same, the Pills and Ointment were accordingly bought and used, by continuing them for 16 weeks, she was perfectly well, and has written most gratefully to Professor Holloway, for the cure effected.
