

The Brownies'

CHRISTMAS GREETINGS.

DEAR FRIENDS: With a Happy Christmas and a Bright Prosperous New Year, we take much pleasure in thanking the Parents, Boys and Girls for their most liberal patronage during the past year, and beg their further favors and influence during the coming season. We will keep up our high standard of excellence, and will produce a better Brownie than ever before. We will make all styles and grades, including Juvenile Wheel, ranging from \$5.00 to \$15.00, and will guarantee our work a liberal guarantee.

HOW YOU CAN MAKE MONEY. By buying a sample Brownie to show your friends, and canvassing in your locality. Send us their names and addresses, and if we sell them a wheel we will send you a liberal commission. If you will start early in the year, and work with a will, you can make the price of your bicycle a dozen times over. Others have done it and so can you. We will give a Brownie Bicycle to the boy or girl who sells for us the greatest number of wheels during 1900 (write us for particulars of this competition).

We still have a number of good, serviceable, up-to-date second hands, we will close out at \$10 to \$15. This offer open until January 15th, 1900.
