FREIGHTS.

The lumber trade is unchanged, but still dull in the extreme. Quotations are nominal. From Burrard Inlet or Puget Sound to Sydney, 47s. 6d.; Melbourne, Adelaide or Port Pirie, 52s. 6d., with a strong probability that a shading of these figures would be accepted. The latest charter for the West Coast of South America was at 52s. 6d., direct port. Grain freights from San Francisco for United Kingdom, 45s. is offered and 47s. 6d. asked. Chartered tonnage is arriving in large quantity, and exporters are supplied, as they anticipated their wants and chartered prior to arrival. The disengaged list is small, and demand for spot charters is dull. Coal freights: Nanaimo or Departure Bay to San Francisco, \$2.50; to San Diego and San Pedro, \$2.50 to \$2.75.

The British ship *Rothsay Bay* 750 tons, Capt. Partridge, from Glasgow April 30, arrived Sept. 27, 150 days out. The manifest of the cargo appeared in THE COMMERCIAL JOURNAL of Sept. 15. She was chartered prior to her arrival to load salmon for the United Kingdom, direct port, at 43s. 6d.

The steamship *Taichow* took a quantity of lumber from the Hastings mill, consisting of 2,000 feet rough and 81,000 feet clear, making a total of 103,000 feet lumber, also 26 spars. This is her last trip from Vancouver in the service of the Union Steamship Co. The Grandholm will take her place trading to Portland in connection with the C. P. R. steamers. She sailed Sept. 26 for Hong Kong.
