SIXTH EDITION

Arithmetical Problems

Senior and Entrance Classes in Public Schools,

G. H. Armstrong, Principal Niagara Street School, Toronto.

This edition contains nearly 900 Problems. The Entrance Papers for the last twelve years are appended, also the Public School Leaving Examination Paper for 1892. The answers to all the Problems are given. No other work possesses these features. Seventy-five per cent. of the Public Schools of Ontario use it, also several Commercial Colleges.

READ WHAT TEACHERS AND INSPECTORS SAY OF IT:

I am highly pleased with your Arithmetical Problems for Senior classes. It suits my Entrance candidates exactly. A book such as this is needed by every Fourth Class pupil.—Geo. Kirk, Head Master M.S., Chatham.

I have just examined your Arithmetical Problems for Senior Classes. The problems are very suitable and the collection must prove very valuable to teachers. I heartily commend it.—G. D. PLATT, B.A., P.S. Inspector, Prince Edward.

After a careful examination of your "Arithmetical Problems for Senior Classes," I find them well graded and very suitable for the purpose intended. The teacher who uses them for home or class work, will save himself a vast amount of labor, and in all probability secure to his pupils much better results.—J. S. DEACON, Inspector, Halton.

I have no hesitation in saying that for the purpose for which it is intended the work is infinitely the best with which I am acquainted. Its strong point, to my idea, is the logical sequence in the problems by which the pupil is almost insensibly led on step by step until he reaches quite a difficult style of question. The printer, too, has done his work very well, and there are but few typographical errors. I shall certainly recommend every teacher in my inspectorate to use a copy.—J. C. MORGAN, M.A., Inspector, Barrie.

LUMSDEN & WILSON

Direct Importers,

SEAFORTH, - - ONT.

OUR Mr. Wilson when in England last year after careful enquiry and inspection of many different kinds of wheels, was convinced of the superior quality and growing popularity of "The Ivel" and after considerable correspondence we have arranged to represent this celebrated make in Canada. We have just received a small consignment of the 1893 models and to say that we are satisfied with them is putting it mildly. We can confidently say that judging from the opinions of those already mounted on them, as well as of many others capable of judging, we believe that we have "The Ivel" the best finished and most graceful wheel ever shown in Canada, and as a roadster its reputation in England and Scotland is unrivalled. On an "Ivel" T. A. Edge, the celebrated English wheelman, in 1890 rode 100 miles on the North Road in 5 hrs. 27 min. 38 seconds—the fastest 100 miles ever ridden on a cycle in the world, under any circumstances whatever.

"The Premier" the "Excelsior" and the "Raglan."

We are also agents for these high grade English wheels. LADIES' AND BOYS' WHEELS supplied at the closest prices; also a number of second hand wheels to dispose of cheap. Write or apply to
