HOW TO GET SICK.

Expose yourself day and night; eat too much without exercise; work too hard without rest; doctor all the time; take all the vile nostrums advertised, and then you will want to know

HOW TO GET WELL.

Which is answered in three words—Take Hop Bitters! See other column.

4 KENT ST., Halifax, 14th May, 1881. To Holman Pad Co., Halifax:

GENTLEMEN,—I suffered with a cough for years, upon which no other remedies seemed to have the slightest effect, and which so reduced me that I thought nothing could save me. As a "forlorn hope," I was induced to try the Holman Pad Remedies. Your treatment has made an entirely new man of me. My cough has entirely disappeared; Rheumatism nearly all gone, and I am gaining flesh rapidly. I hear of numbers who are praising your remedies, and I also confidently recommend them, even where everything else has failed.

Yours, very truly, JOHN LITTLE.

DRUNKEN STUFF.

How many children and women are slowly and surely dying, or rather being killed, by excessive doctoring, or the daily use of some drug or drunken stuff called medicine, that no one knows what it is made of, who can easily be cured and saved by Hop Bitters, made of Hops, Buchu, Mandrake, Dandelion, &c., which is so pure, simple and harmless that the most frail woman, weakest invalid, or smallest child can trust in them. Will you be saved by them? See other column.

OUR CHILDREN

Why compel them to take those vile and nauseating medicines, when PUTTNER'S EMULSION is so palatable and nice, and produces better results than any other. Most astonishing reports are daily recorded in favor of its cures, where other preparations of the kind have failed, and then been cast aside in disgust.

FOR DELICATE WOMEN, who are suffering from Anemia and Weakness, caused from Over-Nursing, PUTTNER'S EMULSION is just what is required to give tone to the system, and will immediately build them up in health and strength.

MOTHERS! MOTHERS! MOTHERS!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it: there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases; and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere at 25 cents a bottle.

Rest and Comfort to the Suffering.

"BROWN'S HOUSEHOLD PANACEA" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, Lamago, any kind of a Pain or Ache. "It will most surely quicken the Blood and Heal as its acting power is wonderful." Brown's Household Panacea, being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family for use when wanted, as it really is the best remedy in the world for Cramps in the Stomach, and Pains and Aches of all kinds, as for sale by all Druggists at 25 cents a bottle.

THE COMMON EXPRESSIONS, "I feel so dragged," "My Food don't Digest," "I don't feel fit for anything," which we so often hear during the Spring and early Summer months, are conclusive evidence that the majority of people require at that season especially a RELIABLE medicine that will strengthen the organs of digestion, stimulate the circulation of the blood, and "tone up" the debilitated constitution.

HANINGTON'S "QUININE WINE AND IRON," taken according to directions, produces buoyancy of spirits, vigor of mind, and gives lasting strength to the whole system.

NITRO-GLYCERINE DYNAMITE, GUNPOWDER.

The Acadia Powder Co.

Their No. 1 RED DYNAMITE is made with special view to obtain a uniform and powerful explosive.

Particular attention is also requested by miners to the BLACK DYNAMITE, also manufactured by this company, as developing great explosive force and in a majority of cases proving as fully efficient as the No. 1. This is not a DUALIS VULCANITE or GIANT POWDER, but

A VERITABLE DYNAMITE,

and is much more powerful than either of those named. Both kinds are put up in strong but very thin paper, insuring to the consumer 10 ounces of explosive for every pound.

The Company are now prepared to furnish the above article with DEMONSTRATORS and all the appliances for using this explosive. Instructions accompany every case. They will also supply Best Salt-peter Blasting Powder. Sole Importers of every grade. ALSO—REFINED SATFETRE.

BOOK NOTICES, REVIEWS, &c.

E. & J. B. Young & Co., New York, have our thanks for "Lectures on the Book of Common Prayer and Administrations of the Sacraments, and other Rites and Ceremonies of the Church: after the use of the Church of England, Anno Domini, 1549," by Morgan Dix, S.T.D., Rector, Trinity Church, New York.

These lectures on the First Prayer Book of Edward the Sixth were delivered by Dr. Dix in Lent, we believe, and they have attracted a good deal of attention as well as criticism. There are in all six lectures, under the following heads: 1. The History of the Book; 2. The Principles of the English Reformation. 3. The Contents of the Book. 4. The Agitators and Restless Spirits. 5. A Specimen of King Edward's Bishops. 6. Reconstruction and Repair after the Storm. 7. Liturgical Enrichment and Revision. Dr. Dix has given us here a valuable addition to the literature of a very interesting and important subject. To many of our readers the book will be very acceptable. It will repay perusal. Price 35 cents from the publishers as above.

"The Fourth Annual Address of the Rt. Rev. Alexander Burgess, S. T. D., Bishop of Quincy, Illinois," has been received. In simple but eloquent language the Bishop dilates on the greatness and needs of the work of his Diocese, deploring the losses of his Clergy by removals, and the smallness of present results, which there breathes throughout the charge the Christian's quiet confidence of future success. The address everywhere shows the marks of having been written by one matured and cultured by the added wisdom and experience of years. The three dioceses of Illinois seem to be blessed with remarkably able bishops.

A LIST of Books; Recommended for Sunday School and Parish Libraries, by the Church Library Association, Cambridge, Mass. Easter, 1881.

The Church Library Association, with its headquarters at Cambridge, Mass., which last Summer issued a 'List of Books Recommended for Sunday School and Parish Libraries,' has just sent out a second list, dated Easter, 1881. This list contains all the titles which were in the first, and the titles of all the books which have been read and approved since the former publication; moreover the books are divided into two classes: I. Books which bear directly upon Church Life, History, or Doctrine. II. Books recommended, but not distinctively Church Books. The Church Library Association is a voluntary organization of ladies and gentlemen, whose sole object is to read books, discuss their merits, and finally print and distribute lists of those which they can recommend for use. The List may be obtained on application to the Secretary of the Church Library Association, Cambridge, Mass., and while no price is charged for it, courteous applicants will naturally enclose with their application a postage stamp or more.

"Temper is everything," and in the pens of the Esterbrook Steel Pen Company the temper will be found all that is to be desired.
