

A WORD OF EXPLANATION.

THE accompanying cartoon represents the leader of the Reform Party in New South Wales, and was drawn by an artist on the spot. We reproduce it from the *Bulletin of Sidney*, and submit it to our readers for what it may be worth. (In connection with the other attractions of this issue, it is certainly worth five cents!) To render it more interesting to our Canadian readers, we have made a very slight alteration in the features of the Leader who is here seen in the act of Leading his Party. The gentleman in question is Sir Patrick Jennings, and *not* the gentleman the picture looks like. Sir Patrick Jennings is a highly gifted man, of fine character, but on such great issues as prohibition, etc., he hangs back, and requires to be pushed along. We hope nobody will suppose that the Reform Leader in this country is of that sort.

THE LEADER OF HIS PARTY!
