Ayer's Hair Vigor, For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. It soon restores faded or gray hair to its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.

QUACKS CONFOUNDED. Rheumatism and Gout have heretofore been considered by the ordinary practicing physicians as incurable diseases, and the query has often been propounded, of what benefit to the helpless sufferer is all their pretended science; and what doth it avail, their long and tedious course of study—if they are obliged to acknowledge that all their resources are to no account when called upon to prescribe for a patient suffering from chronic rheumatism. The great trouble lies in the fact that the mode of investigation is prescribed within certain boundaries and limitations compelling the student to tread in certain well-worn paths, or suffer disgrace and excommunication from that highly respectable order of mortals known as the Medical Faculty. How often genius has been curbed in its flights of investigation as easily be imagined. And often really grand and beneficial discoveries have been placed under the ban of censure by those self-constituted censors, for no reason whatever, but that they are innovations upon a stereotyped and time honored prescription. It was not so, however, with the proprietor of the

Diamond Rheumatic Cure, for his high standing in the profession, and the learning and science of an able mind, quickly compelled the oxen to succumb, and now physicians generally, all over the world, where this medicine is introduced, admit of its wonderful efficacy, and often prescribe it for their patients. Of course the use of the DIAMOND RHEUMATIC CURE, without the aid of a physician, is a saving in fees to the sufferer, but the really conscientious physician should rejoice at this, for the reason of the general benefits arising to mankind from its use.

READ WHAT THE PEOPLE SAY. MONTREAL, 21st March, 1871. Messrs. DEVINS & BOLTON: Dear Sirs—I with pleasure concede to the Agents wish that I give my endorsement to the immediate relief I experienced from a few doses of Dr. Willor's Diamond Rheumatic Cure, having been a sufferer from the effects of Rheumatism, I am now after taking two bottles of this medicine, entirely free from pain. You are at liberty to use this letter, if you deem it advisable to do so. I am, Sir, yours respectfully, JOHN HELDER ISAACSON, N.P. MONTREAL, 17th March, 1874.

Messrs. DEVINS & BOLTON: Gentlemen—I have suffered much with rheumatism, so much so that I was obliged to stay at home a certain time. I heard Mr. O'Neill, of the St. Lawrence Hall, speaking of your remedy. I asked him to get me a bottle immediately, which he did with great kindness. To my great surprise that bottle has cured me entirely, and I never felt better in my life. I attribute the use of my limbs to the "Diamond Rheumatic Cure." JAMES GALLAGHER, 58 Juron Street, Corner of Hermine. A BLESSING TO THE POLICE. MONTREAL, 18th June, 1874.

Messrs. DEVINS & BOLTON: Gentlemen—Having been one of the many martyrs of rheumatism that I meet on my every day rounds, I was induced to try the celebrated DIAMOND RHEUMATIC CURE. I had suffered the last five or six weeks the most terrible acute pains across my loins and back, so severe indeed that I could hardly walk with the help of a stick. I commenced the Diamond remedy, following the directions carefully,—relief came immediately with the first bottle; improved rapidly with the second, and completely cured and free from pain after finishing my fifth small bottle. You are at perfect liberty either to refer to me privately or publicly, as I feel very thankful for the relief, and sympathize with my fellow-sufferers from Rheumatism. Yours respectfully, J. B. CORDINOE, Sanitary Police Officer, 51 Labelle Street.

FURTHER PROOF. Toronto, March 30, 1874. Dear Sir—After suffering for the past two years with Rheumatism, I can truly say that, after using two bottles of the DIAMOND RHEUMATIC CURE, I find myself free from that terrible disease. I have used all kinds of remedies and Doctor's prescriptions without end, but your simple remedy surpasses all. The effect upon me was like magic. I take great pleasure in recommending your medicine to all. I remain, MARGARET CONROY, 127 Sumach Street.

This medicine is prepared by a careful experienced and conscientious physician, in obedience to the desire of numberless friends in the profession, in the trade and among the people. Every bottle is warranted to contain the full strength of the medicine in its highest state of purity and development, and is superior to any medicine ever compounded for this terrible complaint. In simple cases sometimes one or two doses suffice. In the most chronic case it is sure to give way by the use of two or three bottles. By this efficient and simple remedy hundreds of dollars are saved to those who can least afford to throw it away, as surely it is by the purchase of useless prescriptions.

This medicine is for sale at all druggists throughout the Province. If it happens that your Druggist has not got it in stock, ask him to send for it to DEVIENS & BOLTON, NOTRE DAME STREET, MONTREAL, General Agents for Province of Quebec. Or to NORTHRUP & LYMAN, SCOTT STREET, TORONTO, General Agents for Ontario. Price \$1 per bottle. May 22, 1874. 40.
