BUSINESS HAS BEEN QUIET

During April and May, money scarce, and prices of Breadstuffs have been gradually declining; superiors \$4.35, and straight grade rollers \$4.50, are outside thirty and sixty day prices. We have cool, dry storage for hundred cars of mill feed, which we offer at \$3 per car for the first month, and \$1.50 per car each succeeding month, and solicit consignments.

At no time in the history of the mining town of Spring Hill, N. S., says the *Trades Journal*, did the place present so bustling an appearance as now. In whatever direction the eye turns may be seen buildings in various stages of completion. No town in Nova Scotia is forging ahead at so rapid a rate. Many of the houses being erected are of handsome design.
