

to butchers is 9c. per lb. for No. 1 beef hides, but there is more or less outside competition in buying from butchers, some of whom report realizing 9½c. while sales to tanners range from 9½ to 10c. per lb. Lambskins continue to be bought at 65 to 70c. each.

Hops.—It seems somewhat difficult to establish close quotations for hops, for the reason that growers and consumers are very far apart in their ideas; trading is not active on this account. We hear of some few sales of choice goods at 19c. per lb., and probably a range of from 16 to 19c. would about fit the situation. It seems to be now very generally conceded that the crop is below an average. A lack of active business in new goods affects values of yearlings, which do not appear to be wanted, and 8 to 9c. is regarded a full quotation.

LEATHER.—Shoe men are still only moderate buyers of leather. A weaker American hide market may cause some hanging back, but local leather values are very steadily held as under. We quote: Spanish sole, B.A., No. 1, 24 to 25c.; do., No. 2, 22½ to 23½c.; No. 1 ordinary Spanish, 23 to 24c.; No. 2, 20 to 21c.; No. 1 slaughter, 26 to 28c.; No. 2, do., 24 to 25c.; common, 20 to 21c.; waxed upper, light and medium, 30 to 35c.; do., heavy, 27 to 30c.; grained, 32 to 35c.; Scotch grained, 30 to 35c.; Western splits, 22 to 25c.; Quebec do., 18 to 20c.; juniors, 18 to 20c.; calf-splits, 30 to 35c.; calfskins, (35 to 40 lbs.), 60 to 65c.; imitation French calfskins, 65 to 75c.; colored calf, American, 25 to 28c.; Canadian, 20 to 24c.; colored pebble cow, 13 to 15c.; russet sheepskins linings, 30 to 40c.; colored, 6 to 7½c.; harness, 24 to 27c.; buffed cow, 13 to 15c.; extra heavy buff, 15c.; pebble cow, 13 to 13½c.; polished buff, 12 to 13c.; glove-grain, 12 to 13c.; rough, 22 to 23c.; russet and bridle, 35 to 45c.

METALS AND HARDWARE.—We do not hear of any notable transactions in pig iron, but in other lines of general heavy metals and hardware there is a very fair movement. Ingot tin continues to attract much attention, the cable announces further strong advance, and local quotations were put up to-day to 20c. for Straits, and 20¼c. for L. & F. Ingot copper is also firmer, and 13¼c. is quoted as an inside figure. Spelter is stronger. We quote: Summerlee pig iron, \$17.50 to 18; Hamilton No. 1, \$15 to 15.50; No. 2, do., \$14 to 14.50; Perona, No. 1, \$14.50 to \$15; machinery scrap, \$14 to 15; common ditto, \$12 to 13; bar iron, Canadian, \$1.35 to 1.40; British, \$2 to 2.15; best refined, \$2.40; Low Moor, \$5; Canada plates—Pontypool, or equal, \$2.10 to 2.15; 52 sheets to box; 60 sheets \$2.20 to 2.25; 75 sheets, \$2.30 to 2.35; all polished Canadas, \$2.40 to 2.45; Terne roofing plate, 20 x 28, \$5.75 to 5.90; Black sheet iron, No. 28, \$2.25; No. 26, \$2.15; No. 24, \$2.05; No. 17, \$2; No. 16, and heavier, \$2.15; tin plates—Bradley charcoal, \$5.60 to 5.70; I.X., \$3.90 to \$4; P.D. Crown, I.C., \$3.60 to 3.75; do., I.X., \$4.50; coke, I.C., \$2.90 to 2.95; do., standard, \$2.75 to 2.80 for 100 lbs.; coke, wasters, \$2.70; galvanized sheets, No. 28, ordinary brands, \$4; No. 26, \$3.75; No. 24, \$3.50 in case lots; Morewood, \$5 to 5.10; tinned sheets, coke, No. 24, 5½c.; No. 26, etc., the usual extra for large sizes. Canadian bands, per 100 lbs., \$1.65 to 1.75; English hoops, \$2 to 2.15. Steel boiler plate ¼-inch and upwards, \$1.85 to 1.90 for Dalzell and equal, ditto, three-sixteenths inch, \$2.50; tank iron, ¼-inch, \$1.50; three-sixteenths, do., \$2; and upwards, \$1.75; heads, seven-sixteenths, iron, 9c.; lead, per 100 lbs., \$3.60 to 3.65; cast-steel, 8 to 10c.; toe calk, \$2.25; spring, \$2.50; sleigh shoe, \$1.85; tire, \$1.90; round machinery steel, \$2.25 to \$3, as to finish; ingot tin, 20¼c. for L. & F. Straits, 20c.; bar tin, 21 to 22c.; ingot copper, 13¼ to 13½c.; sheet-zinc, \$6.25; Silesian spelter, \$5.65; Veille Montagne

spelter, \$5.75; American spelter, \$5.65; antimony, 9½ to 10c.

OILS, PAINTS AND GLASS.—Business continues pretty active, as country merchants are desirous of replenishing winter stocks before winter freight rates go into effect. Values are steady to firm, in all lines. Last week's strong advance in turpentine is fully held. Glass also holds a strong position; one steamer is still due with fair supplies, but stocks generally will be below the average at close of navigation. Some fair lots of new cod oil are arriving, quotations are 34 to 36c. per gal. We quote: Single barrels, raw, and boiled linsed oil, respectively, 50 and 53c. per gal.; two to four barrels, 49 and 52c.; 5 to 9 barrels, 48 and 51c., net 30 days or 3 per cent., for 4 months' terms. Turpentine, one to four barrels, 55c., five to nine barrels, 54c., net 30 days. Olive oil, machinery, 90c.; Cod oil, 34 to 36c. per gal.; steam refined seal, 37½ to 40c. per gallon. Castor oil, 8½ to 9c. in quantity, tins, 9½c.; machinery castor oil, 7½ to 8c.; Leads (chemically pure and first-class brands only), \$5.62½; No. 1, \$5.25; No. 2, \$4.92½; No. 3, \$4.50; No. 4, \$4.12½; dry white lead, 5c.; genuine red do., 4¾ to 5c.; No. 1 red lead, 4½ to 4¾c.; Putty in bulk, bbls., \$1.65; kegs, \$1.80; bladder putty, in bbls., \$1.80; smaller quantities, \$1.95; 25-lb. tins, \$2.05; 12½-lb. tins, \$2.30. London washed whiting, 35 to 40c.; Paris, white, 85 to 90c.; Venetian red, \$1.50 to \$1.75; yellow ochre, \$1.25 to \$1.50; spruce ochre, \$1.75 to \$2. Window glass, \$1.70 per 50 feet for first break; \$1.80 for second break; third break, \$3.70.
