

PROTECTION

is the predominant thought in the construction of G. & McC. Co. Safes and Vaults.

When you install a Safe or Vault you do so with the idea of protecting those valuables such as your Accounts, Deeds, Bonds, etc., on which you cannot get insurance.

It is of the greatest importance that you install the Best, not the cheapest.

G. & McC. Co. Safes and Vaults have passed successfully through all of Canada's Great Fires for forty years without a loss. They have proven their worth to these hundreds of others and will do the same for you.

Our Safe Catalogue will be mailed on request.
