

## SCHEDULES OF CHEMICALS

The following Schedules list toxic chemicals and their precursors. For the purpose of implementing this Convention, these Schedules identify chemicals that are subject to monitoring according to the provisions of the Verification Annex. Pursuant to Article II, subparagraph 1 (a), these Schedules do not constitute a definition of chemical weapons.

Chemical marked "\*" on Schedule 2B is subject to special thresholds for declaration and verification, as specified in Parts VII of the Verification Annex.
