

- (6) all permits, licenses, pass-books and other such documents including costs related thereto, required to enable Canadian firms or Canadian personnel to carry out their respective responsibilities in Bangladesh;
- (7) permission to use all means of communications such as high frequency radio transmitters and receivers approved for use in Bangladesh and telephone and telegraph networks, depending on the needs of programmes and projects;
- (8) the recruiting and seconding of counterparts to Canadian personnel as required for projects;
- (9) tax exemption certificate in the event of such document being required by Canadian personnel for themselves or their dependants while arranging leave for any reason outside Bangladesh;
- (10) prompt clearance and expeditious transshipment through customs, within twenty-one (21) days of the notification of the arrival at the port of entry, of:
  - (a) the personal, professional and technical effects of Canadian firms, Canadian personnel and of their dependants; and
  - (b) all necessary equipment, materials, products, supplies, goods, spare parts, accessories and consumables provided, furnished or supplied by the Government of Canada and imported into Bangladesh for the execution of projects established under any subsidiary arrangement or loan agreement;
- (11) the prompt inland transportation of all equipment, products, supplies, materials and goods required for the execution of projects from the port of entry in Bangladesh to the project sites including, where necessary, the obtaining of priority by Bangladeshi forwarding and transportation agents;
- (12) demurrage and storage of equipment, products, supplies, materials and goods when they are held on board or at customs and measures required to protect these articles against natural elements, theft, fire and any other danger;
- (13) all necessary visas, pass-books and all import or export permits, as the case may be, for the Canadian personnel and their dependants for equipment, materials, supplies or goods required for the execution of projects, the professional and technical equipment and the personal effects of Canadian personnel and their dependants;
- (14) any official assistance which may be required for the purpose of facilitating the travel of Canadian personnel in the performance of their duties in Bangladesh;
- (15) permission for Canadian personnel to open personal external bank accounts and for Canadian firms to open project external bank accounts;
