GOVERNMENT REGULATIONS

Registration with the Ministry of Education is required before setting up a school in Singapore. Premises must be cleared by the Development and Building Control Division and the Fire Safety Bureau.

There are no particular incentives tailored for the education sector. The general incentives (eg : investment allowance) may be applied on investments in fixed assets, aside from building, tables and chairs, which are directly related to production.

LOCAL PREFERENCE POLICY

Singapore allows 100% foreign ownership of companies in Singapore.
