

75c. A Minister of the Crown who from his place in the House at a previous sitting has stated that an agreement could not be reached under the provisions of Standing Order 75A or 75B in respect of proceedings at the stage at which a public bill was then under consideration either in the House or in any committee and has given notice at that sitting of his intention so to do may propose a motion for the purpose of allotting a specified number of days or hours for the consideration and disposal of proceedings at that stage; provided that the time allotted for any stage is not to be less than one sitting day and provided that for the purposes of this standing order an allocation may be proposed in one motion to cover the proceedings at both the report and the third reading stages on a bill if that motion is consistent with the provisions of Standing Order 75(13). During the consideration of any such motion no member may speak more than once or longer than ten minutes. Not more than two hours after the commencement of proceedings thereon, Mr. Speaker shall put every question necessary to dispose of the said motion.

A point of order was raised by the honourable Member for Peace River (Mr. Baldwin) to the effect that since the proposed motion was substantially the same as the recommendations in the Third Report of the Standing Committee on Procedure and Organization and, since a Notice of Motion to concur in that Report has been printed under the heading "Motions", the "Government Notice of Motion" should not be proceeded with.

And debate arising on the said point of order, Mr. Speaker deferred his decision, and directed that the said "Government Notice of Motion" stand pending his decision.

Pursuant to Standing Order 39(4), the following eight Questions were made Orders of the House for Returns:
