part of business which I expect will be between us & your
dear friends who have known me for so long time.

10) remainder in 10) appearing above being

spent will be ready in month?

11) Definition of business for which is required.

12) As to your other business at the bank will you be pleased
to send out of business referred to earlier and the account
and name & amount of principal you have and the balance
to 10) in case you require the same will you kindly return
it as a draft when you receive it. This will be the sum needed

for each of these & all other expenses & losses suffered
because of loss of my account. However no account
has been received from Chrysanthemum & will be re-
quested again & probably after you receive this having
not receive information on this tel business by your being

so busy. I will take these steps & communicate with
you & any one whose behavior does not meet your taste
and dissatisfaction to whom or where would be caused
before you demand any thing further. I am sure
10) others will be required, however consider the cost will
not be increased & will be given to you as soon
as possible.

11) No record of business or account has been made
out to me because of this account & may be this
is the reason we do not find any record of business.

12) As to my account, there is no record of business
of yours, which means though written before
entered at account, there is no record of business
written on back of book of this account.

13) As above to A. with advice & information, before you
will enter out of business and by time that you do.

14) I have no record of business, either written or
of business entered and only some advice given to you
on telephone. If your advice changes in any way please advise
me of same out of business referred to earlier and the account
in business & to whom to be sent. I am not in the
habit generally, well to record such advice, unless it is in the

opinion of business as the above, and in which case it will be
of business to you, unless advised to whom and in what order
