

THE ROYAL SOCIETY OF CANADA
OTTAWA

November 28th. 1925.

Dear Sir Arthur Currie,

At a meeting of the Council of the Society held on the evening of November 14th. last I was requested to extend to the Board of Governors of McGill University the thanks of the Society for the guarantee of \$500.00 afforded this year towards the publication of scientific papers in the Transactions of Sections III., IV. and V.

The Society appreciates very much the generosity of your Board. The financial help thus accorded is enabling us this year to extend our publication. It has been decided to publish an extra issue of scientific papers and a statement showing the actual amount required on account of your guarantee will be forwarded as soon as the publication referred to is completed early in March.

Yours very truly,

Duncan Chisholm

Honorary Secretary.
