God preserve our native land, fair Canada the Free,  
 May His right hand protect our land and guard her liberty ;  
 Should foreign foes our land assail with desolation fell,  
 God guard the right and lend us might the invader to repel.  
 O, Canada, fair Canada, name ever dear to me,  
 A home for all who leave the shores beyond the bright blue sea ;  
 We love our land, tho' young it be, its sunshine and its storm,  
 Its faces fair and hearts sincere, affection's strong and warm.
