

greeted him with all honor. At court it fared worse with him. The King, still obsequious to Spain, looked on him coldly and askance. The Spanish minister demanded his head. It was hinted to him that he was not safe, and he withdrew to Rouen, where he found asylum among his friends. His fortune was gone; debts contracted for his expedition weighed heavily on him; and for years he lived in obscurity, almost in misery.

At length his prospects brightened. Elizabeth of England learned his merits and his misfortunes, and invited him to enter her service. The King, who, says the Jesuit historian, had always at heart been delighted with his achievement,¹ openly restored him to favor; while, some years later, Don Antonio tendered him command of his fleet, to defend his right to the crown of Portugal against Philip the Second. Gourgues, happy once more to cross swords with the Spaniards, gladly embraced this offer; but in 1583, on his way to join the Portuguese prince, he died at Tours of a sudden illness.² The French mourned the loss of the man who had wiped a blot from the national scutcheon, and respected his memory as that of one of the best captains of his time. And, in truth, if a zealous patriotism, a fiery valor, and skilful leadership are worthy of honor, then is such a tribute due to Dominique de Gourgues,
