LEAFS SHAKE THE MACON DUST WIN LAST FIXTURE AT CAMP

Joe Kelley Fans the Macon "Frank Baker"—Shaw Wants to Move—Rudy's Arm Sore—On to Atlanta.

MACON, Ga., April 2.—(Can. Press).—There was happiness in the Leaf camp this afternoon when word was received from President McCaffery at New York that Tim Jordan would report at Atlanta tomorrow. The Kelley Klouters went out to the ball park and held good-bye to the Macon fans in a six-to-five defeat of the local South Atlantic Leaguers this afternoon.

With Kubat and Dube doing the pitching for the Leafs, and two new twirlers working against the champions, the game was fairly close in the final innings. Manager Kelley relieved Dube and pitched himself. "Kel." had a running fire of disconcerting talk directed at the Maconians while he was in the box. He struck out Prysock, the Frank Baker of the league.

The Leafs whipped the ball around the lot in midsummer style, with the exception of Shaw, whose arm is very sore and weak. Shaw wants to get away from the Toronto team and has expressed a preference for the American Association. It is doubtful whether Toronto will let him go. The champions break camp, with the pitchers, excepting Rudyolph and Lush, ready to go six or seven innings. Dick's arm is weak and Lush is still much over weight.

FLOOD HILLS GREAT SIRE.
LEXINGTON, Ky., April 2.—A letter that the Director-General, one of the most famous trotting sires in the country, died there today. The animal succumbed to pneumonia, contracted during the high waters of last year, and owned by Frank McCloud and valued at \$20,000.

ANOTHER AMERICAN WINS OVER FRENCH FIGHTER.
PARIS, April 2.—Jeff Smith, the American middleweight pugilist, tonight practically knocked out the Frenchman, Adrian Hogan, at the Cirque de Paris. The end came in the seventh round. When Hogan was helpless on the ropes his seconds sprang into the ring and carried him out.

The bout was scheduled for 20 rounds. Smith outclassed Hogan and dropped him to the floor several times with heavy swings. In the eleventh Smith landed a terrific right, which literally stunned the Frenchman, who stood swaying with his arms hanging at his sides, unable to offer any defence. Then his seconds came to his rescue. The referee was hoisted for not stopping the battle.

ANOTHER FOR THE ATHLETICS.
PHILADELPHIA, April 2.—The Athletics defeated the local Nationals today by 2 to 1. The pitching was the feature of the game and Bush, recently acquired by the Athletics, had a shade the best of it. The Athletics also won the opening game of the spring series yesterday. Schlaflly's Skeeters In Superb Condition

And the Jersey Team Will Also Have Pick of Chance's Highlanders.

JERSEY CITY, April 2.—Fresh from a successful training trip in Bermuda, the Jersey City team of the International League began its final preparation at West Side Park for the opening of the season on April 16, when the Buffalo team will be its opponents.

Every member of the Skeeter team is in superb condition. Manager Schlaflly believes that the work his players have had against Frank Chance's Yankees will be of great benefit with an edge on the other league.

Vice-President Tom Fogarty, who accompanied the team on its trip, is enthusiastic over his team's chances in the coming race and predicts a high position for the Jersey City outfit.
"We will start with a well-rounded team," said Fogarty, "and with Jersey City for many years. There is only one doubtful spot in the infield and one place in the outfield is still open, but we have promises of some good men from the major leagues."

"Frank Chance has asked for waivers on eight of his youngsters and we can probably have a pick of them if we strengthen the team."

The team will take the field with Hugh Bradley at first base. Second is still open. If Schlaflly can get Jack Martin from Chance he will play Jack Knight at second and Martin at short. Bill Purcell, the old White Sox player, will hold down third base.

Jack Kelly and Noah Heinke are the only good outfielders in sight at present and Schlaflly is on the lookout for a couple of men to strengthen this department.

The catching will be ably handled by Bob Well, Joe Crisp and Joe Tee. The pitchers, Jack Donahue, Bill Voth, Miles Main, Vic Shankey and Miles McHale, did good work against the Yankees in Bermuda and will get plenty of work in practice games daily hereafter to hold them in condition for the race.

Outfielder Roland Barrows, last year with Jersey City, and a member of the Rochester team this season, broke his leg sliding into base at the Hustler camp in Aniston. He is at least one week out of the game for the rest of the season. Manager Gansel will have to dig up another outer-gardener.

The scribes with the St. Louis Cardinals are praising the work of Ted Lyons, who is making a fine record for himself in Aniston. Leaf, and he may land a regular job on the hurling corps.

Mickey Corcoran has reported to the Birds and will play the right field position this year.

Jeff Tesreau is slated to pitch the opening game for the Giants.

Poor old Skeeters! The hammer article all over the circuit are panning the Jersey City outfit. The work of the season opens and Manager Kelley gets the rough edges trimmed off the machine. With having the poorest looking outfit of good players that compose the International League.

Guy Zinn, the outfielder that the Hustlers got from the New York Yankees, who refused to sign, has wired this: "My players and members are requested to attend."

AMATEUR BASEBALL.
The Royal Motor Car B.B. Club will hold an organization meeting Friday at 8 p.m. at W. Duncan's Humberdale waiting room. All players and members are requested to attend.

The Royal Baseball League held their organization meeting, when the following clubs entered the league, which will be composed of two sections, eastern and western: Olympia, Oakwoods, Oiler, C. St. Augustus, Reliance, Centennial, Perth, Delawares, Reliance, Centennial, and others. Vacancies for two more fast.

An organization meeting of the Judean B.B. team will be held at the clubrooms on Friday night, at 8.30. Last year's members who wish to attend, and any new members who wish to join, are requested to attend.

The Chatham City Baseball League has been formed again for the coming summer. The officers elected are: President, George Taylor; vice-president, A. J. Wainwright; secretary, E. C. Briscoe; treasurer, Robert Dunlop. A schedule is now being arranged.

The Western City Baseball League will hold a meeting in the West End Y. M. C. A. on Friday evening, April 4, at 8.15. Entree off Dovercourt road, North Parkdale, Parkdale, Athletic Club, Victoria and Epworth are requested to send two representatives each.

KNOWLES' STABLE OF PICTON.
PICTON, April 2.—Gordon Knowles, prominent in the past years with the great horses, such as The Bel and Gallagher's Darky Hal, has wired a promising string in Silver King, Adrian Poinsett, Lyle Moffatt and Spookman, a promising green one, Adrian Poinsett is now the worse for his ice campaign and will take some beating the coming season. He looks like a sure 2:10 pacer. Lady Moffatt is a green good sensible trotter and should be heard from this coming year.

A Chicago newspaper man with the White Sox in California, after seeing the Sacramento team beat the White Sox, remarked that Harry Wolverton appears to have a better team this year than he did in New York last year.

The two St. Louis teams are well supplied with Cracker catchers. Alexander Brown began his career as an amateur in Atlanta. Hildebrand of the Cardinals lives in that town, and Wingo also was born at Norcross, Ga.

Outfielder Dan Mueller of the Washington Senators has just become the proud father of a bouncing baby boy.

SIGNING OF TIM JORDAN COMPLETE TEAM

Leafs Well Fortified in Every Position—Just Need Two Pitchers—Gossip.

Leafs can start their old ball season tomorrow for all we care. Tim Jordan has signed and local fandom is satisfied that the Leafs can win games right now without any more training, for doesn't Tim drive them in early?

President McCaffery paid a visit to New York on his way home from the Macon camp and the joyful news that Jordan had been met halfway and is now on his way to the Leafs at Atlanta was flashed over the wires yesterday afternoon.

With Jordan back at the old first corner the Leafs look like champions again. The infield will be complete when this new infield report to Manager Kelley and it looks like a pretty fair outfit at that.

Jordan at first and McConnell at second looks well, and even if the new man fails to put in an appearance, Fitzpatrick is fully capable of handling the short field job. Captain Bill Bradley is showing something of his old-time form that made him famous in the American League at the hot corner, and the infield is well fortified.

The outer works have two of last year's stars in O'Hara and Shaw, while Hitting North has the speed and the hitting ability if the training camp reports are to be believed.

None of the pitchers, Rudyolph, Lush and Maxwell, the big three that won the pennant for the local squad last year, are on the job and all shaping up well. Herbert, last year with Chicago, is the most likely looking one of the recruits to have a regular job.

This brings the squad up to four, and with six to be carried, Manager Kelley has not much to worry about.

Bradley, who is to come from the Red Sox, should make good, while Kenyon, the only other recruit at present in the training camp who has the earmarks of a real good twirler. He is a southerner, but with Johnny Lush rounding into shape it is hardly likely that the youngster will land a berth.

McGraw is generally good to the Toronto club in the hands of the Leafs should come in for at least one game twirler from the New York club. This will make up the half-dozen to be carried.

Graham and Bemis, the mainstays of the receiving end last year, are again in line, and with Trout, the Canadian League, showing the goods, every department filled to perfection.

Just as soon as Manager Kelley gets the rough edges trimmed off the machine and the Leafs are in shape to like a real good team and should be just about good enough to defend the title of champions.

In the Athenaeum A League last night the Windsors boosted the season's record total tens when they whaled the wood for the big count of 2985, putting in a 1051 score in the final game, both the first two games resulting in the same score of 967.

The big pin of the night was Bill Barry with 636, while George Perry with 611 beat out Jack Wallace by one pin. The other two, Harry Wells and Don Lisee, put in good totals also, having 560 and 568 each.

Lacrosse Notes

Competition may be a necessary evil to strengthen the D. L. A., but what we want to know is what is to be the outcome of the meeting Saturday.

From the looks of things the Indians will be the victors unless Mr. Solman does something rash.

"Red" Carmichael, of the Maitlands, will be tried out by the Tecumsehs this season.

Chas. L. Querrie, the manager and owner of the Tecumsehs, is out with an indignant denial that his club was controlled or owned by a syndicate.

Just because Mr. Fleming came in like a queen bee, he should not be considered the only man in the lacrosse world.

LADIES ARE PLAYING LAWN TENNIS INDOORS.

NEW YORK, April 2.—Miss Marie Wagner, the national champion, who is playing thru, and Mrs. C. N. Beard today won their places in the final round of the women's indoor national lawn tennis championship tournament.

Miss Wagner defeated Miss Erna Marcus, 6-1, while Mrs. Beard defeated Mrs. S. F. Weaver, 6-4, 7-5. Miss Wagner placed her long drive splendidly with plenty in the last set. Mrs. Beard experienced difficulty with the tricky net play of Mrs. Weaver and the score was close.

The semi-final match in the championship doubles resulted in a victory for Miss Wagner and Miss C. Cattroff, the latter of the West Side Club, New York. The paid defeated Miss E. C. Buncie, a partner in the holding of the doubles title, and Mrs. Beard. The score was 6-1, 4-5 and 6-3.

AMATEUR BALL TO BE ORGANIZED AT ONCE

Meeting Held Last Night by Baseball Commission Decides to Form T.A.B.A.

An enthusiastic gathering in connection with the work of the Ontario Baseball Commission was held last night at the Amateur Athletic Union offices, 22 College street, about a dozen of the city leagues being represented. It was decided to proceed at once with the organization of a Toronto Amateur Baseball Association, with the ultimate purpose of extending to a provincial association.

The meeting adjourned until Friday night when the plan will be adopted. All city leagues are asked to send delegates and take hand in the formation of the new body. The Star association has been offered to the proposed association as the amateur trophy for the City of Toronto.
