

LACHINE - CANAL ENLARGEMENT.

NOTICE TO CONTRACTORS.

SEALED TENDERS addressed to the undersigned, endorsed "Tender for Lachine Canal," will be received at this Office for the enlargement of this Canal, consisting of the widening and deepening from a short distance above Lock No. 3 or St. Gabriel Lock, upwards to the river St. Lawrence at Lachine; embracing the construction of a new lock at 636 St. Paul, taking down and rebuilding the upper portions of the present lock at that place, construction of regulating weirs, culverts, bridge piers, and a new entrance lock at Lachine, and the formation of a channel and basin on the south or river side of the existing entrance.

The works will be let in sections of the respective lengths indicated on a map of the line, which, together with plans and specifications of the various works, can be seen at this Office, and at the Lachine Canal Office, Montreal; at either of which places printed Forms of Tender can be obtained.

Tenders for Section No. 9, or what is called the Rock Cut, and Section No. 10 at Lachine, will be received until the arrival of the eastern and western mails, on Wednesday, the 12th day of January next, plans and specifications for which can be seen at the places above mentioned on and after Wednesday the 6th day of January next.

For other parts of the works, tenders will be received until Tuesday, the 21st day of March next, and for which plans and specifications can be seen at the respective places above mentioned, on and after Tuesday, the 7th day of March.

Contractors are requested to bear in mind that Tenders will not be considered unless strictly in accordance with the printed forms, and—in the case of firms—except there are attached the actual signatures, the nature of the occupation and place of residence of each member of the same; and further an accepted bank cheque, or other available security, for the sum of from one to three thousand dollars, according to the extent of work on the section, must accompany each Tender, which shall be forfeited if the party tendering declines or fails to enter into contract for the works when called upon to do so, at the rates stated in the offer submitted.

The amount required in each case will be stated on the form of Tender.

The cheque or money thus sent in will be returned to the respective parties whose Tenders are not accepted.

For the due fulfillment of the contract satisfactory security will be required on real estate or by deposit of money, public or municipal securities, or bank stock to the amount of five per cent. on the bulk sum of the contract, of which the sum sent in with the Tender will be considered a part.

Ninety per cent. only of the progress estimates will be paid until the completion of the works.

To each Tender must be attached the actual signatures of two responsible and solvent persons, residents of the Dominion, willing to become sureties for the carrying out of the conditions, as well as the due performance of works embraced in the contract.

This Department does not, however, bind itself to accept the lowest or any Tender.

By Order, F. BRAUN, Secretary.
