

The Quarter-Back Says There Must Be No Interference With Immediate Clearance

Former prices, profit expectations, real worth of merchandise, must all be forgotten in the determination to clear this stock of all summer goods at the earliest possible moment. We must make way for fall. That is what the "Quarter-Back" is looking forward to. That is why he is playing havoc with this stock now---making inroads to it through the greatest price-cutting of high-grade merchandise that this city has ever seen. Men's suits, men's pants and men's furnishings are now receiving the hardest checks. Get here today if you want to see the crowds.
