HALL & PRICE, sawmills, Quebec, write Feb. 24th, 1892: "We have been using your grip pulleys for some time, and they give every satisfaction. They are not liable to get out of order and do not require much attention in adjustment."

Our Motto:

Messrs. STUART & HARPER,
Agents Dodge Wood Split Pulley Co.,
Winnipeg, Man.

SOURIS, MAN., January 7th, 1892.

GENTLEMEN,---Your favor to hand and contents noted. The Rope Drive you supplied is giving us first-rate satisfaction; better than we expected. We think it will be durable, and it has ample capacity to drive all the machinery in the elevator.

If any of your customers want anything of the kind, just tell them to come and see it work, which will be the best recommendation we can give it.

The elevator works first rate, and the engineer says that he does not know much difference in keeping up steam. We are glad to hear that you are keeping busy.

We are, yours truly,

Signed,

MCCULLOCH & HERRIOT.
