

teers and gallop for his life, listening to British bullets hissing him. It was *inhuman of the British*, Mr. O'Brien, was it not? Oh yes, the fortune of war, you know, these red-coats are so "hard on the poor Irish!!"

A word in conclusion upon our sad subject, Romish aggression in Canada. It will not be difficult to check it, if we go about in the proper way. Then let us be up and doing as recommended above. The formation of the new party is the first matter to be accomplished; then federate the Empire; and lastly, abolish the local Legislatures, and the use of *any language but our own in public institutions*; then we will cease to be the laughing stock of our neighbours to the South of us, because we seem to be asleep while the Romanists are up and doing. The "ugly wrinkled front" of Romanism is indeed staring us in the face; with sinister leer her bigoted adherents, when we meet them on the Queen's highway, seem to hold forth and hurl at us insolent defiance, seeming to gloat over the conceit that soon they will have the upper hand, and all Protestants at their mercy.
