

YORK COUNTY

MIMCO CHARTERED IS
APPEAL IN COUNTY COURT

Will Be Appeal From Magistrate's Decision—Death of Thornhill Resident.

Ernest Johnson of Mimico was fined \$5 and costs in the county police court on Thursday afternoon by Magistrate Goddard and Davis, the aftermath of an old-fashioned charivari on the occasion of the marriage of Alfred West, likewise of Mimico.

It was charged by West that Johnson and a number of boys surrounded his house, throwing stones, and further, that Johnson struck the door with a stick, breaking it. The constable swore for Johnson. "Did you warn the boys that anything they said might be used against them?" "No," replied the officer. "Then this evidence is out of order and cannot be taken," said Mr. Slattery.

"I don't care whether it is or not. I'm going to get at the true facts of the case."

It is said the case will be appealed.

KING FARMER'S ESTATE.

William Hawman, a farmer, who resided in King Township, and whose death took place last July, left an estate consisting of as follows: Household effects, \$50; farm implements, \$150; horses, \$200; cattle and stock, etc., \$200; and property—the east one-half of lot 12, concession 8 in King Township, \$350.

Mrs. Mary Ann Hawman, widow of the deceased, gets the entire property.

The band have practiced most consistently and North Toronto citizens have every reason to be proud of their own musical organization. Let there be a rousing attendance at Monday night's concert, and give the boys "a royal" start off.

WESTON.

WESTON, Nov. 17.—(Special.)—The officers and members of West Toronto Camp No. 173 Woodmen of the World paid a fraternal visit to the local camp last night. After the business of the lodge was transacted, the visiting brethren were banqueted at Mrs. Caldwell's home, Main-street.

The members of Lodge 115, Canadian Order of Chivalry, have just finished a successful membership campaign. Organizer Davis of Toronto assisted the local officers in the initial special meetings. At the next meeting the officers for the ensuing year will be elected, and the annual banquet for the members will be held in Oddfellows' Hall.

Ask Yourself These Questions

And Find Out If You Have Kidney Disorders—Also Make This Test.

Have you pains in the back over the kidneys?
Have you urinary disorders?
Do you suffer from severe headaches, dizziness or loss of eyesight?
Is the skin dry and harsh?
Are you falling in health and strength and suffering from rheumatic pains or swelling of the limbs?

These are a few of the symptoms of kidney disease, and here is the test. If the urine after standing for twenty-four hours is cloudy, milky or has particles floating about in it, or if there is a sediment in the bottom of the vessel, your kidneys are diseased. There is no time to lose in beginning the use of Dr. Chase's Kidney and Liver Pills. Delay means the development of Bright's Disease, and you do not want to take a chance with this. Dr. Chase's Kidney and Liver Pills will help you more quickly than any treatment you can obtain, and that is one reason why they are so successful and popular.

Mr. W. H. Mosher, South Augusta, Greenville County, Ont., writes: "I used Dr. Chase's Kidney and Liver Pills and firmly believe there is no medicine to equal them. I was troubled for years with kidney disease, and this treatment has cured me. When I began the use of these pills I could only walk from my bed to a chair. Now I can go to the field and work like any other man. Dr. Chase's Kidney and Liver Pills are certified to by the Rev. E. H. Emmett, Baptist minister of Brockville, Ont. Dr. A. W. Chase of Kingston and Liver Pills, one pill a dose, 25c a box, at all dealers, or Edmundson, Bates & Co., Toronto. The printed and signed receipt Book author, are on every box. TARIFF REFORM POLICY
Unionists Committed To It, He Says
—Views on Reform of Lords.

NOTTINGHAM, Eng., Nov. 17.—Arthur J. Balfour, leader of the opposition in the house of commons, addressed an important political gathering here to-night. He dealt with the present crisis from all angles, and outlined the policies of the Unionists. He said that the constructive policy to which the Unionists were committed, but which they were not permitted to pursue, was to reduce the tariff on raw materials, and to reduce the duties on manufactured goods. He said that the Unionists were not in favor of a tariff reform, but that they were in favor of a tariff reform which would be based on the principle of reciprocity.
