

PAISLEY GARDENS

Our First Big Market Garden Offering For This Year

PAISLEY POINTERS

The Paisley Market Garden Tract is a fertile belt just north-west of Melrose Park in North Toronto, and west of the North Yonge Street cars.

Productive plots here are extremely profitable, because they are situated at the very door of Toronto, with its 400,000 consumers of garden produce.

The soil is a rich clay loam, which is a long-lived soil, capable of producing a strong vegetable growth. The northward expansion of Toronto and the advance of the good roads movement will greatly increase the value of these produce plots each year.

The Price of a Half-Acre Paisley Garden Plot is only

\$450

One or more half-acre plots may be secured to make your market garden as large as desired.

ROBINS, LIMITED

PRODUCTIVE PLOTS

The low price of a produce plot allows a gardener a good start in this productive region on very small capital.

A good income can be secured by raising vegetables, fruit, poultry, and by bee-keeping.

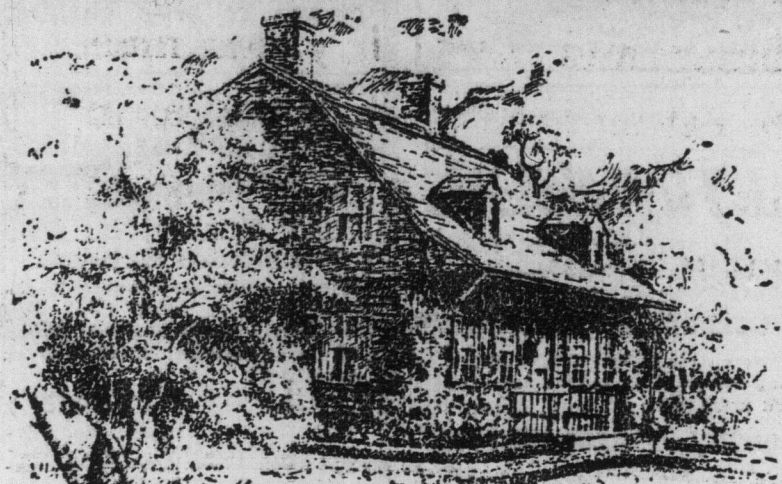

This is a very healthful location. The land is high above lake level. Pure air and pure water are vital advantages. Schools, churches, and stores are near. The city can be reached quickly on a North Yonge street car.

If you are interested in a market garden, for health or wealth—or for both—come and see us about Paisley Gardens. Write or call at our Head Office, 22 Adelaide street east, Phone Main 7171; or our North Toronto office, Glen Grove and Yonge street. Phone North 5432.

Why not visit this property at your leisure on Friday, Saturday, or Monday? Phone us and we will motor you over the property. From 10 a.m. to 5.30 p.m. daily our motor cars are waiting for visitors at our North Toronto office.

This is the Age of Opportunity

Workingmen Can Own Their Own Homes

The time is past when the workingman is ground down by endless poverty. To-day he has the opportunity of saving money, investing and owning property.

Here's a Chance to Stop Paying Rent and Pay for a Home With the Same Money.

We have set aside a large number of very attractive lots in the

PARSONS ESTATE

which we offer to workingmen on particularly easy terms. The lots are \$4 to \$12 per foot, and the terms are \$10 down and \$5 monthly.

Our Proposition

You buy a lot, and by paying \$10 down and \$5 monthly the lot is yours. You can start building the house the next day, and have it done by fall. The amount of money required is very small, and if you live in a tent while you are building you will have no rent to pay, and the whole amount can go toward building expenses. Others have built cozy homes this way, which they own themselves, and could sell for far more than they paid for them if they care to. It is the only EASY WAY to own a home.

Go and See These Lots on Good Friday or Saturday Afternoon

Take cars going to Lansdowne Avenue and go to Davenport Road, then east to Buxton, thence north to the property. An office and large signboard will identify the place. Motor cars will meet the street cars Friday from 10 to 4, Saturday, 2 to 5, and take visitors to the grounds. We publish an illustrated book about Parsons Estate. Sent free if you send us your name and address.
