ASIATIC IMMIGRATION AND BRI-

For the good of the empire and the ake of the imperial future, it is to be incerely hoped that the views of The Judgments which, whether accurate or not, were never rash or splenetic. That it has fallen from its former high estate, its ill-informed and truculent outburst concerning the Asiatic allen in Canada clearly proves. Racial riots are not unknown in the country that comes immediately under the purylew of The Times, and the fact that one occurred in Vancouver no more justifies the infliction of a lecture on Canadian perversity than would aparallel outbreak in the United Kingdom excuse a moralization on the decadence of Englishmen.

The Times was a strenuous supporter of the British Gavernows and other the British Gavernows and other the stress entroused to the British Gavernows and other the British Gavernows immediately under the purylew in the seasions, Clarence E. Chandler should be seasions. Clarence E. C Times of London, England, concerning

and I make the solemn declaration. cancelling insurance.

MONTREAL, Sept. 11.—(Special.)

The fire underwriters have commenced to cancel insurance in the congested of the cancel insurance in th

obtained at R. & O. office, 2 East King.

"Politics in this country, as now conducted, are a game. Mr. Borden is not above playing that game, and it is in pursuance of that policy that he speech of R. L. Borden at Chatham, as follows:

"On nomination day in 1904, Mr. Fielding, the minister of finance, declared and prophesied that I would be defeated in Halifax when no one imagined that such a thing was likely or even possible. Gentagen was likely or even possible. Gentagen and the cases of corruption that have been told me, are repeated and established in court, Mr. Borden will be banished from the house of commons."

no one imagined that such a thing was likely or even possible. Gen-tlemen, let me tell you that Mr. Flelding knew whereof he spoke, he knew what was going to happen. "And what did happen? "Within one week my constituency was debauched by shameless bribery, and the seat to which I was honestly chosen by the people of Hallfax was stolen from me by shameful crimes committed in the interest of the government to which Mr. Fleiding then belonged, and of which he is still a member."

is more serious, since the allowance of inspection of any subscriber, any advertiser or any other newspaper.

IRREGULAR, BUT EFFECTIVE.

The World is no apologist for mobinitude form. And the eyils of the resultant situation can be gauged from the experience of those nations that are face perfective way of compelling public men and governments and newspapers to deal with serious issues. As long as the Oriental question in British Columbia and in the United States is allowed to simmer, nobody at Ottawa concerns

Borden himself.

"Mr. Borden has no right to complain of the prophecy of Mr. Fielding at Halifax, when he himself is adopting the same tactics now. Mr. Fielding has been assalled in The Mail and all Tory papers thruout the country as of Essex will be held at Essex on the an arch corruptionist, but Mr. Fielding Sept. 19. Addresses will be made by Hon. A. B. Aylesworth, minister of justice; Hon. Rodolphe Lemieux, A. H. Clarke, M.P., and John A. Auld,

the church ordinances when she shied the movement for the preservation of 19, and they asked that reter to she will be the movement for the preservation of 19, and they asked that reter to she will be the movement for the preservation of 19, and they asked that reter to she will be the movement for the preservation of 19, and they asked that reter to she will be she will be the movement for the preservation of 19, and they asked that reter to she will be she errors he may have committed were actuated by honesty of purpose, integrity of intention and every effort to serve the people well.

It is well known that the price of coal the price of coal that because Britain charges it- 20 workmen were endangered by a not true.
