

**Why He Quit the Business.**

Kosciusko Murphy, who is a bookkeeper in a grocery store, met a friend who clerks in a cigar store on Austin avenue, and asked him for a cigar.

"Ain't got any," said his friend.

"Ain't got any?" said Kosciusko. "Why, when I used to work in a cigar store I always had my pockets stuffed with cigars."

"Yes; probably that's the reason you ain't in a cigar store now," was the crushing reply.

**STOMACH AND LIVER COMPLAINT.**

Chatham, N.B.

A. J. WHITE & Co.

May 30th, 1897.

GENTLEMEN,—I herewith enclose to you a few statements from parties who have used your Seigel's Syrup and Pills, of which I could get dozens. I have sold about 20 dozen Syrup and Pills the last year past, and must say that all those who tried the Syrup and Pills all say it is the best medicine they have ever tried, for the various diseases for which it is recommended. I have also used the Syrup and Pills myself for dyspepsia of long standing, and find it the best remedy for derangements of the Stomach and Liver, for which I have tried many other medicines, without the desired effect. I can send you many more testimonials if you require them.

Yours very truly,

ALEX. McDONALD.
