FOR THE WET.

Semi-ready raincoats appeal to the connoisseur of good things to wear.

The cloth is cut to fit and the skirt is quite full and long.

We pay particular attention to the interior workmanship of the shoulders and collarsthese are carefully moulded and the shape retained by stitching-by this means we retain the form of the entire overcoat—the skirt being well stayed throughout.

Rainproof fabric-greys, drabs and fawns.

men leave to-night for Camden, N.J., and from there will go to Baltimore, to open the league season on Wednesday. For the past few days the weather has been all that could be desired, allowing of good long rehearsals, which were very beneficial to the men. Irwin has not stated just who the team will be: Clarke, Carr, Kuhns, Thite, Harley, Murray are sure regulars. Downey was released to-day. Score:
