

Children's Day in the August Hosiery Sale

"OH, DEAR! Those boys and their stockings! Will I ever get done darning?" So says Mamma Number One.
"Oh, dear, those girls. Always needing new stockings." So says Mamma Number Two.
Some say girls are as bad as boys, some say boys are worse than girls. Fact is, stockings are only stockings. They will wear.
Here's a chance to buy Children's Stockings cheap—plenty of them—a supply to do all Fall and Winter, too. It's the last chance of the sale practically, for Monday—Children's Day—is the last but one of August. So don't miss Tuesday if you have boys and girls to keep in stockings.
