The Toronto Washer, \$4.25

\$4.25

THIS LOW PRICED machine is strongly made of hardwood, filled and varnished and fitted with large lid that can be lifted up, allowing plenty of access to interior of tub. It is a reliable lever type machine with castings all finished in aluminum and gold bronze. Has four strong legs securely bolted to tub and large wringer box on top. Price, as illustrated 4.25

The Regal Washer, \$10.00

\$12.00

THE TUB of this machine is made of smooth finished varnished cypress, with four sturdy legs and reinforced cross pieces at bottom. The gearing is well balanced and is carefully fitted to lid in such a way as to prevent accidents. The most delicate clothing can be washed without injury in this machine, the dolly being fitted with four smooth round cornered prongs. Price, as illustrated . . 10.00

The Happy Day, \$12.00

\$12.00

The "Happy Day" Washer is noted for its ease in operation, being fitted with ball bearings, balance wheel, and walking beam gear under tub. The interior is corrugated and has four pronged dolly operated by gear on top of lid. Tub is made of select hardwood material with four staves, and all-metal parts are finished with electro galvanized process which prevents rust and wear. As illustrated 12.00

Featuring the Quality Washer at \$12.00

\$12.00

THE following are the features that contribute towards making the Quality the most efficient and lasting washing machine obtainable at this price.

The greatest feature about it is that it runs smoothly and surprisingly easy due to the perfectly balanced gearings and ball bearings. It is supplied with cut gears which increase its life and has extra large tub made of selected cypress reinforced with strong steel hoops. It will wash all kinds of clothes clean and white, without injury, being equipped with smooth finished round cornered dolly with protecting shield on bottom. The inside of tub is corrugated and has metal spigot underneath for draining off water.

The cover of tub closes down tightly, preventing any offensive odors and permitting heat to remain in tub.

Has double operating handle for operating either sitting or standing and all gearings are protected with shields to prevent accidents. See it demonstrated—quality is its name, and its price is 12.00

—Basement.

This Electric Washer, \$62.00

Some of its advantageous features

—Washes and wrings at same time, or separately, by electricity.

—Requires no physical efforts and is extremely simple to understand and operate.

Cover can be raised or lowered without turning off power.

Has cut gears which are noiseless and smooth-running.

Tub is made of red cypress and is corrugated on the inside, both sides and bottom.

Has strong, efficient motor that will last for years.

The wringer has cogwheel slides, also patent release that takes pressure off rolls when necessary and is guaranteed for 5 years.

Legs are made of hardwood and have castors on bottom. Price complete, as illustrated 62.00

\$62.00

Clothes Mangles, \$17.00

The one illustrated has 3 24-inch hardwood rollers, with linen covering on centre roller. The desired pressure is made by turning handle at top which operate leaf springs below. It has drop table board, flywheel on side and is built over a strong iron frame. The "Victor," price 17.00

The "Empress," a similar mangle, but with ball bearings, which make operating easy, is priced at . . . 23.00

\$17.00

Folding Tub Stands, \$1.75

This handy arrangement being made for holding two wash tubs and wringers, is made of varnished hardwood and has reversible water board in centre. Price, complete 1.75

\$1.75

Wash Boilers, 75c

75c

Tin Wash Boilers, with flat copper bottom. Size 8,

\$1.25; size 9 1.35
