

medicine will generally be found sufficient to remove the impurities, and save you much sickness and expense. It will invigorate the whole system, improve the appetite, stimulate and tone the digestive organs, and eradicate all malaria from the system.

The Lungs, Liver, Kidneys, Bowels, Skin, etc., act as so many waste gates for the escape of effete and poisonous matter and gases from the body. When one of these organs refuses to fully accomplish its task, there is consequently so much effete matter left in the system that should be thrown off; and as this matter cannot lay dormant, it enters the blood and destroys its purity by loading it with poisonous floating particles. These particles, with the blood, have to circulate through every organ in the body; and what is the consequence? It is that the pores and ducts of every organ in the whole system are to some extent obstructed. When one of the organs of the body is diseased all the rest sympathize with it, and to radically and permanently cure the disease of that organ we must have a remedy compounded of a variety of medicines possessing a variety of properties that will purify the blood as well as permeate, clear up and strengthen every organ in the body. Such a panacea is to be found in **Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure.**

Sold by all medicine dealers at \$1 per bottle.

NORTHROP & LYMAN CO.,

Toronto, Proprietors.

A CURE FOR DEAFNESS.

Mr. S. E. Crandell, Port Perry, writes: "I contracted a severe cold last winter, which resulted in my becoming totally deaf in one ear and partially so in the other, after trying various remedies and consulting several doctors without obtaining any relief I was advised to try Dr. Thomas' Electric Oil. I warmed the Oil and poured a little of it into the ear, and before one half the bottle was used my hearing was completely restored. I have heard of other cases of deafness being cured by the use of this medicine.

IN HOT WATER.

Orpha M. Hodge, of Battle Creek, Michigan, writes, May 16, 1878: "I upset a teakettle of boiling hot water on my hand, inflicting a very severe scald. I applied Dr. Thomas' Electric Oil, and take great pleasure in announcing to you that the effect was to allay pain and prevent blistering. I was cured in three days. We prize it very highly as a family medicine."

COPLAND'S SWEET CASTOR OIL.

EQUALLY SUITABLE FOR CHILDREN AND ADULTS.

Endorsed by over 600 doctors in Canada.

WE have recollections that are hard to erase from our memory of a time when the good old fashioned but disagreeable Castor Oil was the favourite medicine with our mothers. We then feared to tell that we were sick, for we knew what would follow that acknowledgment. We preferred suffering in silence rather than take that nauseous and sickening medicine. But with the advancement of science this feeling has disappeared; one discovery has followed another; and one of the most important in the history of medicine is the discovery of a way whereby Castor Oil can be sweetened and rendered palatable.

To the inventor of **COPLAND'S SWEET CASTOR OIL** is the world indebted for this valuable improvement on a staple household medicine. After careful and long research he made this discovery, and called his preparation

Copland's Sweet Castor Oil,

It is of the same strength and medical qualities as the ordinary Castor Oil, and, while equally safe and harmless, yet acts with more certainty, and produces neither nausea nor griping. Some children say it is honey; others call it syrup—they all say they like it. One parent says: "My children drink it like water"; another: "We had to hide the bottle or they would have finished it right off"; another: "My little girl has taken it twice without any trouble, and does not know what it is, though she hates the ordinary Castor Oil, and we could never get her to take it without a fight." Yet another: "I wish you success of your **SWEET CASTOR OIL**; it is a splendid thing, sure to take the place of all the common oil."

Below are names of a few medical men acquainted with **Copland's Sweet Castor Oil**, who certify that it is a great improvement on ordinary Castor Oil, and recommend it as pleasant, harmless, efficacious, and supplying a long-felt want; L. Brock, M. D., Guelph; D. Macintosh, M. D., Hamilton; E. Clapham, M. D., L.R.C.S., Belleville; Geo. W. Wright, M. D., Berlin; Y. Cowen, M. D., Galt; Geo. Smith, M.R.C.S.E., Stratford; James P. Morden, M. D., Picton; R. R. Addison, M. D., Farmersville; W. H. Street, M. D., London; H. C. Rugg, M. D., Perth; James Patterson, M. D., Almonte; Francis W. Campbell, M. D., Montreal; J. McNaughton, M. S., S. M., Newcastle; Wm. Wade, M. D., M.R.C.S.E., Cobourg.

The undersigned having purchased Messrs. T. Copland & Co.'s interest in the above preparation are now manufacturing it from the original recipe,

NORTHROP & LYMAN CO., TORONTO.

Sold by all Medicine Dealers. Price, 25 cents.
