

VIEW OF STUDIO—NO STAIRS TO CLIMB.

HERBERT E. SIMPSON

Artist
AND
Photographer,

143 COLLEGE ST.,
3 doors west of Queen's Ave.

Why you should be photographed by an artist is that you have had enough photos taken of yourself for the waste-paper basket. A call will convince you as to the merit of those engaged on our works of art. The Studio is the only properly appointed one in Canada with all the modern facilities known which time, brains and money can procure.
