

ERECTION AND REPAIRS OF MISSION PREMISES, &c.

1. No application for a grant for new Mission premises or buildings will be entertained, unless a description of the proposed buildings, with their estimated cost, has first been submitted to, and the expenditure distinctly authorized by the General Board, or the Committee of Consultation and Finance.

2. The same rule will be observed in regard to the repairing of Mission buildings, and the purchase of Furniture.

REPORTS OF MISSIONS.

A Report of the Religious State of the Mission shall be prepared by the Superintendent of each Mission, and read in the May District Meeting, subject to the revision of that Meeting.

CORRESPONDENCE.

The District Superintendents shall require semi-annual communications to be made by each of the Missionaries on their respective Districts, to the Secretaries of the Society, giving information of the state and prospects of the several Missions in which they are employed.

PUBLICATION OF ANNUAL REPORTS.

1. The General Report of the Society shall contain the religious reports from Missions, the aggregate amount of Missionary contributions from each Circuit, the names of subscribers of Twenty-five Dollars and upwards, and the details of the expenditure.

2. Each Annual Conference shall publish its own Subscription Lists, as an appendix to its Minutes, together with a synopsis of religious reports of the Missions within its own bounds.

NOTE.—In consequence of the discontinuance of the Annual Conference Missionary Reports, and the publication of the Subscription Lists in the Minutes of Conference, it becomes absolutely necessary, in order to ensure insertion, that the lists and reports be handed to the District Superintendent not later than the Annual District Meeting, and by him transmitted immediately to the Mission Rooms.
