MT. ALLISON WON Defeated St. Joseph's at Hockey by a Score of 3 to 1.

SACKVILLE, N. B., Feb. 10.—(Special) Mount Allison defeated St. Joseph's in the hockey game on Saturday afternoon. The score stood 3 to 1. Mt. Allison scored twice in the first half, and St. Joseph's once. Neither team was up to its full strength—St. Joseph's began without Ryan and Mt. Allison without Fawcett. The game was a very poor exhibition of hockey, but the failure of the forwards to follow in on their shots, and their selfishness, told against them.

FUNERAL OF JUDGE TRUMAN WAS VERY LARGELY ATTENDED Impressive Services at St. Stephen's Church—Funeral One of the Largest Held in St. John for Years.

The great esteem in which the late Hon. Arthur I. Truman, judge of probates of St. John city and county, was held by all who knew him, was shown by the large concourse of citizens that attended the funeral services this afternoon. The services at the house and in St. Stephen's church were most impressive and the funeral cortege was one of the largest seen in St. John for years.

At 2:30 o'clock a private service was held at Judge Truman's late residence, 112 Hazen street, at which the members of the family and immediate friends were present. The body was then removed to St. Stephen's church where service was conducted by Rev. A. Gordon Dickie, assisted by Rev. A. A. Graham of St. David's church, moderator of the Presbytery of St. John.

The choir of the church rendered appropriate music as follows:—"My God and Father While I Stray," "Christ of all my hopes the ground," and "One sweet solemn thought."

Rev. Mr. Dickie in feeling terms referred to Judge Truman's character and the church of which he was an elder and also of his career in public life. At the close of the service the members of St. Andrew's Society formed up ahead of the funeral car and the body was carried out by the following who acted as pall bearers:—Chief Justice Barker, Mr. Justice McLeod, C. N. Skinner, K. C. Dr. A. W. Macrae, A. P. Barnhill, K. C. and John P. McIntyre.

The chief mourners were:—J. McMillan Truman, James D. Truman, J. Ames Truman, J. Douglas Truman, John Belyea, James A. Belyea, W. H. Truman, George Truman, C. D. Truman and W. A. Truman.

FRANCO LEAVES FOR MARSEILLES Ex-Premier of Portugal, With His Wife and Son, Left Bordeaux This Morning.

BORDEAUX, Feb. 10.—Senor Franco, the ex-premier of Portugal, with his wife and son, left this city by train at 7:43 this morning for Marseilles. The departure was made suddenly, the hotel authorities being notified of the step at the last moment. It was twenty minutes before train time when Senor Franco unexpectedly requested his bill from the hotel manager. The time was so short that the hotel porters had to work rapidly to get the many pieces of baggage of the Franco party over to the station in time.

Senor Franco appears rested from his stay here. He is less depressed and walks over to the store, and yesterday, the former premier was accompanied by French detectives, but there were no other reports to see him off.

AGING. Philomena—That young Mr. Hollow doesn't know nearly as much as I thought he did. Virginia—You must remember he has been out of college fully two years now.

JOYFUL NEWS. Our esteemed fellow citizen, Mr. James Jones, was a much pleased man this morning when he read the news from Fredericton that the government would carry St. John by 500 majority. To tell the truth, James expected his party to be badly beaten in this constituency. He had been basing his assumption on the best information obtainable at City Hall and elsewhere, and it made him sad. But of course they know more about it in Fredericton, and when a man in a newspaper office sits down and writes himself a letter from St. John, showing that Mr. Sears and Mr. Skinner and Mr. Lantulum and Mr. Purdy will have 500 majority there is no room for doubt. That settles it. Therefore James is cheerful again.

MUST BE RESTRAINED. CHATHAM, Feb. 10.—(Special)—A deputing will be sent to wait upon the St. John Sun and Moncton Transcript, urging them not to go quite so strong on the Liberal aspect of this campaign. Gloucester county will be represented as well as Northumberland, and it will be pointed out to the editors that as no wild yell has gone up on Ottawa lately it might be as well to talk about purely provincial issues for a spell. Unless we can get some Tory votes up this way the government ticket won't have a look in.

SUNBURY AROUSED. BURTON, Sunbury County, Feb. 10.—(Special)—The county is thoroughly aroused. The fighting speech made by Col. McLean has stirred to the pitch of enthusiasm the solid yeomanry of Sunbury. Mr. McLean will be taught that he cannot tear up the tracks of the St. John Valley Railway and stop the trains. Col. McLean created a profound impression upon the minds of the resolute and intelligent farmers of this county. If Hazen comes palavering around here again he will learn what it means to trifle with the inalienable privileges of the unthoughtful electorate of this constituency. The St. John Valley Railway will continue to be operated as at present if the Colonel has to call out the militia.

MONCTON, Feb. 10.—(Special)—An immigrant special coming from Halifax with several carloads of English passengers bound for the Canadian west, is off the track near Upper Dorchester. The accident occurred about one o'clock this morning, and the trouble was due to a head-on collision with the Springfield accommodation which leaves here every Sunday night at nine o'clock, but which was detained until about 12 o'clock last night on account of some difficulty in obtaining an engine for the trip. Two cars on the immigrant train were badly smashed, but fortunately no one was hurt.

THAT THE I. C. R. CLERKS STUMPING WESTMORLAND FOR GOVERNMENT CANDIDATES. living in St. John, in company with a man whose real name is Walter Legin, whom he has known for a number of years. Oberon says he has been searching for his wife for two weeks, and has now heard she is in North Sydney. He will proceed at once to that place.

THE GOVERNMENT CANDIDATES IN NORTHUMBERLAND are looking that they will sweep the county, but although there are two members of the government stumping the county, it has been found necessary to draw on the clerks employed in the I. C. R. offices for speakers. An I. C. R. clerk, who left the office last week to campaign for the government ticket, spoke at Memramook Friday night, but the local government organ in its report of the meeting suppressed the name of the clerk, who has been called upon.

While the I. C. R. clerks are being taken from their work to campaign for the government ticket, spoke at Memramook Friday night, but the local government organ in its report of the meeting suppressed the name of the clerk, who has been called upon.

GIRL SHOT TO DEATH ON A NEW YORK STREET CAR

CABMEN BEFORE POLICE COURT Interesting Developments Promised When This Case Comes To Trial.

A number of the cabmen who stand their horses on the north side of King square, have been reported by the police for cruelty to animals and allowing their horses to stand without drivers.

On Saturday night reports were laid against David O'Keefe, Murray Alexander, James Fleming and Harry McNeil for allowing their horses to stand for four hours without exercising them, and several of the animals were found trembling with cold.

According to the police, one horse stood in the cold from 6:45 until 12:10 o'clock on the night mentioned, and then was exposed until nineteen minutes to two, the thermometer having registered below zero.

Two men, who refused to give their names, told a patrolman that one of them had an encounter with one of the cabbies and came out apparently second best.

When the cases come up for trial the nature of the traffic in which these drivers engage, will likely be investigated.

THE MARCHES LEFT FOR FREDERICTON today where they play the crack Capitals tonight in the N. B. H. L. series. They are taking away a strong team, the strongest in fact that they have taken away this season. They will line up as follows:—Goal, Morse; point, Philips; cover point, Woodworth (Capt.); centre, Simpson; rover, Clawson; right wing, Grant; left wing, Petersen. The same team will play the Marysville Crescents tomorrow night. Error inches taking Philips' place at point. The Crescents should give both teams a good game.
