Herbert Atkinson, who holds the inter-collegiate record for the one mile race, has decided to compete in the Marathon road race, which will be held on the 17th of this month. Atkinson is a Mount Allison man and won the one mile race when the inter-collegiate sports were held in this city. He is a strong runner and should set a fast pace for the competitors in the Marathon race. Entries will close on the 10th.

WILL ORGANIZE FOR THE WINTER All men interested in the work of the Every Day Club are requested to meet in the committee rooms of Brussels street Baptist church this evening at 8 o'clock. There will be an informal discussion on the plan of the organization for the coming winter. The meetings last year proved very successful and were very beneficial. It is probable that arrangements will be made for a series of lectures and musical evenings to be held every Monday evening in the vestry of the Brussels street edifice. Offers of contributions have been received from a number of men interested in the work of the club toward a building fund, for the purpose of putting up a suitable building in the locality if a site can be secured. A large attendance at this evening is desired so that the work can be talked over freely and new ideas considered.

POLICE COURT Neil McGilvery and Jacob Notfell were in court this morning having been arrested by Policeman Finley on a charge of fighting on the Westmain road. McGilvery pleaded guilty but Notfell denied the charge. Finley and Notfell were placed on the stand and after evidence had been taken, Magistrate Ritchie decided that Notfell was really worse than McGilvery and the belligerents were fined \$20 each or two months in jail with hard labor. From the evidence it appears that Notfell went out on Sunday morning and met McGilvery, who handed him a quart and asked him if he would call upon "the widow," and buy some liquor. Notfell said he would try, but on further consideration, handed the money to a stranger who happened to be passing and asked him to try. He consented, but did not return. This aroused McGilvery's ire and the following day Notfell says he acted only in self defence. According to Finley's evidence, McGilvery's head was cut and bleeding. His house observed that if "the widow" were present, she would be called on to pay the full penalty. He gave an accurate description of the locality in which the fight occurred and expressed the hope that the police would become thoroughly acquainted with it, as there was a good deal of drunkenness in that locality on Sundays as well as week days. James West, an aged wanderer who for some time had made his home in an old schooner lying in one of the slips on the west side of the harbor was sent to the lunatic house. Chas. London, arrested by Policeman Crawford, for smashing a mirror, some bottles and a number of glasses in Jas. Flood's bar-room on the Marsh road, was also in court, and, as Mr. Flood had no desire to press the charge, his honor told London that if he would arrange with Mr. Flood to make good the damage, he would let him go on suspended sentence of \$20 or two months in jail. Several other drunks were disposed of as usual.

McQuade returned this morning from Boston. Miss A. O'Regan and Mrs. John O'Regan arrived this morning from Boston. A. R. Wetmore came from Fredericton today. Frank M. BANDSMEN ARE AHEAD (Continued from page 1) well and favorably known throughout the city. One of the surprising features of today's contest was the sudden entrance into the inner circles of the arena, of the Neptune Rowing Club. A friend of the organization turned in today a total of 3492 votes. Neptune will flourish his trident in delight, when he hears of the promising start his boys are making in the race for the two hundred dollars in gold. The other organizations in the contest have more than held their own in today's fight. The boys of the High School although relegated to fourth place in the race, have lost none of their determination to reach the desired goal. Progress has been made all along the line. Even those organizations which have remained in the background since the beginning of the contest have largely increased their standing. Being evidently stimulated to fresh endeavor by the splendid work of the leaders. A friend of the Marlborough Lodge, Sons of England, sends the contest editor or 430 votes for that society and the following letter: Contest Editor, Evening Times: Enclosed find 400 votes which kindly place to the credit of Marlborough Lodge Sons of England. With best wishes for the success of the Times contest. I remain, Yours truly, ONE INTERESTED. St. Andrew's Oracles are also growing ambitious to eclipse the record of their fellow soldiers, the Scotch Boys' Brigade, if one may judge by the manner in which their vote is being increased. The Y. P. C. of Centenary Church deserve more than passing mention for their fine work of the past few days. They are evidently coming to the front fast. The standing of the various contestants is as follows: St. Mary's Band 4,671. St. Stephen's Scotch B. B. 4,230. Neptune Rowing Club 3,941. High School A. C. 3,811. La Tour Soc. of H. and R. 2,103. FIRE LADDIES REMEMBER HIM Men of No. 1 H. & L. Co. Make Presentation to William Cox. The rooms of No. 1 Hook and Ladder Company were the scene of a pleasant event on Saturday evening, when Lieutenant Barker, on behalf of the members of the company and a number of friends, presented a hat free to William Cox, who has been acting as engineer of No. 2 engine, during the past few months, in the absence of the regular men on their vacations, and during the illness of Superintendent Leonard. The gift was accompanied by a suitable address, signed by Captain G. H. Jackson and Secretary W. H. Green, and Mr. Cox, though taken altogether by surprise, made a fitting reply. Mr. Cox returns to his home in Pisarville followed by the best wishes of the men, by whom he is very well thought of.
