FIRED

Fired. That's what they say in Canada when you lose your job. We lose our job—we got fired through the war making business slack. It was not our fault or the fault of our employer. The chances for a steady job did not look good. But rather than loaf, we started business and we have received a very fair share of the public patronage. For gold and silver plating; jewelry, repairs, name plates, call on Taylor Bros., 81 north side King Square. 'Phone Main 901-11. Agents for the English Raleigh Cycles.
