

Canada In The War

News Notes of Activities in Many Parts of Dominion

An Ottawa despatch says that the government will keep their positions for I.C.R. men who go to the war and pay their salary in full during their absence.

Presiding over the Dominion of Canada Mortgage company meeting in London this week, Chairman Baird said Canada, having wheat as her chief export at so remunerative a price as more than \$1 a bushel, would suffer less in respect of internal economy and ability to meet European obligations.

The militia contracts have been taken out of the department's hands at Ottawa, and in future the purchase of supplies will be done by a sub-committee of the cabinet, of which Hon. Robt. Rogers is chairman, so that the faithful

followers of the party can now get a chance to share to the exclusion of those of other political leanings.

Dawson City, Yukon, purposes to send with the next Canadian contingent a picked machine gun corps, and the men already have gone into training.

The Nova Scotia government has changed its gift of coal to the Imperial Government to \$100,000 in cash.

The proceeds of a pie social at Long Point on the St. John River, amounting to \$111 have been given to the Canadian Patriotic Fund.

The arrangements for providing a water supply to the exhibition grounds for use for the monument depot are now under way under direction of Commissioner Wigmore.

W. ALBERT HICKMAN AND MISS FOSS WED

Miss Esther Foss, daughter of ex-Gov. and Mrs. Eugene Noble Foss, and W. Albert Hickman, were married in Boston this afternoon by Rev. Howard Key Bartow, rector of St. Stephen's Episcopal church, of Cohasset. The wedding took place at the summer home of the bride's parents, Jerusalem road, Cohasset, where the bride and groom, the bride's only attendant, and the best man were Royal Ewing of Montreal.

A special car was attached to the 1210 train from Boston for Cohasset, where automobiles conveyed the guests to the house. The groom is a native of Dorchester, N.B., and well known in St. John.

The plans for the wedding journey were not announced in advance but it is possible that, after spending some time in the eastern states, Mr. and Mrs. Hickman will visit New Brunswick.

At the Fairville parsonage last evening the wedding was solemnized by Rev. P. R. Hayward of Albert Wharton, Hampton, and Miss Lizzie Dow, Fairville. They will reside in Fairville.

PAPAL SECRETARY OF STATE DEAD

Rome, Oct. 10.—Cardinal Dominic Peratt, Papal Secretary of State, died today.

Under Gas

He was a nervous man. Most men are when they find themselves in a dentist's chair, but he was exceptionally so. The tooth that had come out was quite a small affair—from the dentist's point of view. From the patient's it felt about the same size as a house.

He decided to have gas. The dentist, who was in a hurry to go to a baseball game, tried to persuade him to do without, but he was determined.

The dentist in a fever of impatience waited for the victim to lose consciousness, but the nervous man insisted on keeping an eye open though he had had enough gas to float an airship.

Unable to contain himself any longer the dentist pulled out his chair and exclaimed: "Let yourself go, man! Shut your eyes, you idiot!"

Somewhere from the back blocks of dreamland the patient murmured sleepily: "Can't—it's gas!"
