The Best Quality at a Reasonable Price

Howard Watches.

Are known the world over for their never-failing time-keeping qualities and for their general excellence as high grade watches.

They are made in two sizes only—twelve and sixteen, and the lowest grade is a seventeen jeweled adjusted movement more finely finished than many more expensive watches of other makes. This particular movement costs in a gold filled case \$40. Finer grades run up to \$150, and you will find a good assortment to select from in our stock.

The Howard is the watch for the man who appreciates a particularly fine watch.
