

REPORT OF  
**LADIES' AID SOCIETY**  
 Of St. Andrew's Church.

The Ladies' Aid Society beg leave to report that we have been graciously spared to carry on another year of our benevolent work.

The work of the Society has been carried on similar to that of last year, it being the intention of its members, as far as possible, to combine social and benevolent work ; and under the stimulating energy of our President, we feel that our work has not been a failure.

As will be seen by the Treasurer's report, we have been enabled to assist many of the deserving poor of our own Congregation, through the kindness of those ladies' who so willingly contributed to our ten cent scheme during the year.

Our monthly meetings have been held regularly during the year, only one month being omitted, and the attendance has been very good.

There are about 250 names of families on the visiting books, and as these have been visited nearly every month, it will show that the aggregate number of visits has been very large. Thanking all those who have so kindly received and assisted us, and trusting that we may be blessed in the future as we have been in the past, and that many more may be stimulated to come out and help us.

All of which is respectfully submitted.

M. D. MACDONALD,  
*Secretary.*
