

The collections for last quarter would have been sufficient to have paid these accounts, but unfortunately the funds which were intended for that purpose are not available as, during the night of the 27th, the Hall was entered and the boxes containing the money, we regret to say, were stolen, and none of it has been recovered.

The Annual Pic-Nic was held as usual; also the Xmas Festival. Several pleasing events at the Festival were the presentation of a handsome testimonial to Mr. W. G. Craig, for his long and faithful service as Teacher and Assistant Superintendent in the School, and for the efficiency with which he has filled the position of Superintendent since the removal of Dr. Smith. Also the presentation of handsome Reference Bibles to the following scholars for having answered correctly all the questions of the Shorter Catechism, viz.:—Dell McDonald, Sarah Allen, Emma Connors, Mary Campbell, Minnie Donnelly, Annie Fairbairn, Jane Glasgow, Alexander Fairbairn, Robt. Glasgow, Willie Glasgow, Agnes Kennedy, Jane Kennedy, Laura McLeod.

We beg to record another year of faithful service as Organist by Miss Irving, and also the assistance of Miss Greenwood at the same instrument.

During the year a piano has been introduced, which has been successfully used by Miss Chambers in improving the melody and heartiness of the singing.

A short prayer meeting is held every Sabbath, after the usual exercises, to ask a divine blessing on the labors of the day, and to examine the lesson for the following Sabbath.

It is with gratitude to God that we remember the many privileges and opportunities we have enjoyed throughout the year that has gone and recount the success that has attended the efforts put forth.

All which is respectfully submitted.

(Signed,)

JAMES POLLIE,

Secretary.
