BRITISH SHIP SEGURA HERE FROM SOUTH

Trip Around Cape Horn to Victoria Disagreeable—Brings Cargo of Cement

(From Wednesday's Daily.)

Straining in a furious gale which raged for three days while she was off the lower plates but the damage was Brewer, the local mining man. not serious and a patch from the inside kept the water in check. The Se- Forty horses, which have been used by past couple of years.

ing the shore. Hauling off to the S.S.E ship was close to the Umatilla lightship when the fog lifted about 9 o'clock yesterday morning. Finding fair wind blowing into the strait Capt. Davies rounded Cape Flattery and set all sail. He made one of the smartest passages yet recorded for a windjammer to Race Rocks and at 7.30 p. m. was safely anchored in the roads.

The Segura left Rochester on April 25 with a full cargo of cement consigned to R. V. Winch & Co., Vano After shipping a crew at Port Victoria she sailed on the 26th and had a fine sage until off the River Plate. After bucking into a terrific gale, which lasted for three days, the ship made a fair passage around Cape Horn, although frequent gales and cold weather made things unpleasant for the crew. Not until Valparaiso was abeam did the Segura run into favorable winds, ich continued until she was off the Washington coast, when fog was ex-

in company with the Chilean ship on Monday, Capt. Davies reported that all the crew were well after their long trip of 146 days.

The Segura will proceed to Vancouver to-morrow to discharge. She is well-known here and on the Sound, having been at Vancouver five years ago, at Tacoma the following year and at Chemainus in 1907.

was instantly killed here.
