Why Not Try?

There's no use getting mad if that For Sale sign you stuck on the front of your vacant house has not brought you a tenant or purchaser. Your sign has been read and re-read by practically the same people, who pass by it every day and who are too intent on other things to stop and look over the property. Now, if you would advertise in the real estate columns of the Times it would come before the eyes of all the people looking for real estate. This is because they are accustomed to have the Times tell them what property in Victoria may be had.
