

hood of this Grand Jurisdiction ask you to accept this purse of gold, the standard of money and metal value, emblematic, in this instance, of the purity and value of your Pythian life, and to mark you as a Pythian standard of nobility of character and usefulness which others may seek to emulate.

The address with which you are now presented is likewise intended to be a souvenir for preservation, so that while life lasts you may have a constant reminder of pleasant association with your brother knights and that your children and grand children after you may take pattern from you in moulding useful, honorable and respected lives, and have a strong incentive to noble life and action.

To yourself and family your brethren offer a full measure of their best wishes for health, long life and prosperity here, and in the hereafter happiness and peace.

Kindly accept these evidences of the Order's appreciation of your services, ability, fidelity and nobleness of character.

Sincerely and fraternally in F. C. and B.,

W. E. RISPEN, G. C.,

*Chairman.*

DANIEL J. PEACE, G. M. of E.

*Treasurer.*

JOHN S. KING, S. R.,

*Secretary.*

Windsor, 22nd August, 1894.

The address was read from a type written copy and when Bro. King reached that portion referring to the accompanying gift the Grand Master of Exchequer presented the Grand Keeper of Records and Seal with a specially made morocco, shield shaped, purse bearing the following inscription :

TO

GEORGE H. MITCHELL, P. G. C., K. OF P.

AFTER

TWENTY-ONE YEARS OF SERVICE

AS G. K. OF R. AND S.

FROM YOUR

BROTHER KNIGHTS IN ONTARIO.

and when the reading was finished the Grand Chancellor presented the brother with a full morocco bound album containing the address beautifully engrossed.

The album consisted of four pages of the finest mounting board the first of which was devoted to a heraldic scene showing a mounted knight in full armor approaching a castle. The others contained the address proper, each having a handsomely illuminated border in which was displayed the various
