HAPPY IOTT NO LONGER WITH TEAM

When the Houlton team lined up on the diamond yesterday afternoon, there were numerous inquiries from the spectators as to the whereabouts of Happy Iott, the Reds' first sacker and captain, and there was great surprise when it was learned that Iott had resigned from the team. It could not be learned that there had been any trouble between this popular player and the management and other players on the team stated that Happy had left of his own accord, and had not been let out.

Iott was very popular with all of the players on the team, and if he had been let out by the management, it is said, other men on the team would have refused to play without him. When asked about it Iott informed the players that there was nothing wrong. That he resigned from the team and had not been let out.

Iott has been well liked by the fans in all the places he has played and has been a good player and able captain for the Houlton team. He will be greatly missed by all lovers of good baseball.

HOULTON WINS 10 INNING GAME; IN THE BIG CAPITALS DEFEAT WOODSTOCK

The Houlton Reds arrived in the city yesterday, and in a ten inning game managed to win out from the Woodstock Capitals by a score of four to three. The Reds were quite shaky in their fielding, having six errors, and they no doubt lost their game by loose playing.

Winkler pitched good ball for the Reds and had two base hits. The visiting twirler was Wiley. He pitched good ball and was given much better support than the Reds gave Winkler. A feature of the game was a double play in the eighth inning that was pulled off by McElwee at third, when he fell down capturing a warm liner from Connolly and threw Fraser out at second.

Johnson opened the game by striking out. Finnmore drew a base on balls, stole second and third. Neptune struck out and Watt hit out pitcher to first.

Williams struck out. Winter singled to centre. Fraser and Dutton drew bases on balls and with the bases druck Connolly went out short to first.

SECOND INNING.
McElwee went out second to first. Fredette fled out to right. Reed singled to centre. Wiley fled out to left field.

McGovern fled out to left. Riley went out second to first. Winkler smashed the ball to centre for two bases. Williams drew a base on balls. Winter hit to right field for two bases and scored Winkler, the ball went through Hughes' legs and Williams scored while Winter rushed to third. Fraser went out short to first and retired the side.

THIRD INNING.
Johnson went out second to first. Finnmore drew another base on balls. Neptune fled out to left field. Hughes hit to short and Finnmore was caught going to second.

Finnmore hit out to first. Dutton went out second to first. Connolly drew a base on balls and was caught trying to steal second.

FOURTH INNING.
Watt singled to left field. McElwee sacrificed to pitcher. Fredette hit safe to third. Reed fled out to second and Wiley performed the same stunt.

McGovern singled to centre. Riley sacrificed to first. Winkler fled out to right field and Williams struck out.

FIFTH INNING.
Johnson hit safe to centre field. Finnmore hit to pitcher and Finnmore went to third. Hughes was hit by a pitched ball. Watt singled to left field and Finnmore scored. McElwee fled out to right.

Winter fled out to left field. Fraser reached first on Fraser's error. Pinkerton fled out to left field. Dutton went out pitcher to first.

SIXTH INNING.
Fredette fled out to second. Reed went out short to first. Wiley reached first on Dutton dropping the ball. Johnson singled to right and Finnmore struck out.

SEVENTH INNING.
Neptune drew a base on balls. Winkler threw badly to first and Hughes was safe, while Neptune fled out to short on the error. Watt fled out to pitcher. McElwee fouled out to Williams at third. Fredette bunted safe to pitcher and Neptune scored. Reed hit to Fraser who made an error and Hughes scored. Wiley drew a base on balls and was caught trying to steal second. Winkler fled out to short. Williams and Winter struck out.

EIGHTH INNING.
Finnmore went out third to first. Neptune hit to left field for two bases. Hughes went out short to first. Watt fled out to pitcher.

Fraser singled to left. Pinkerton beat out a bunt to first. Dutton fouled out to third. Connolly hit out to McElwee at third who made a beautiful catch and doubled Fraser out at second.

NINTH INNING.
Finnmore went out third to first. Neptune hit to left field for two bases. Hughes went out short to first. Watt fled out to pitcher.

Riley sacrificed to pitcher. Winkler batted the ball to right field for two bases and McGovern tied the score. Williams hit out to pitcher. Winter drew a base on balls. Fraser went out third to first.

TENTH INNING.

LATE NEWS

OF OLYMPIC

ARRANGEMENTS

Stockholm, July 5.—Stockholm has set a standard for Olympic arrangements and hospitality which future Olympiads hardly will be able to surpass, not only in the stadium appointments, which are the most luxurious for athletes ever known in Europe but in the facilities provided for the press and visitors within the stadium and everywhere about the capital. Immediately after the football games were finished yesterday, workmen began to prepare the great field for the other sports, apparatus for gymnastic, pole vaulting, jumping trenches, and wrestling platforms being prepared. The ceremonies of opening the athletic section of the games will be held tomorrow. After the march past the king, participated in by the athletes of all nations, Crown Prince Gustaf Adolf, the honorary president of the Olympic committee, will deliver an address. The court chaplain, Clemens A. H. Feldt will then read the sermon after which the hymn, A Mighty Fortress is Our God, will be sung by the entire assemblage. The weather today is again hot and favorable to the athletes training for their particular events.

Sweden has won first prize; the gold Olympic medal in the team competition for miniature rifle shooting, with an aggregate score of 925. Great Britain's team was second with a score of 917, and the United States obtained

WOLGAST AND RIVERS MAY FIGHT AGAIN

Los Angeles, July 5.—"Sleeping over it" did not serve to clarify to any extent the confusion that followed the end of yesterday's championship lightweight fight between Ad. Wolgast and Joe. Rivers at Vernon.

The cries of "Fake" which resounded through the fight pavilion yesterday echoed today among the haunts of sporting men. Promoter McCarey said that in view of the grave doubt laid against the decision of Referee Welch in awarding the fight to Wolgast as a knockout, he was undecided as to giving the \$50,000 diamond belt who were among the 11,000 spectators called at the offices of the Pacific Athletic Club to suggest that the boys be sent together in another 20-round battle to decide finally the question of supremacy. Rivers said his manager, Joe Levy, expressed willingness to fight the battle over again, but Wolgast and his business director, Tom Jones, maintained silence. If the two boys get together again, it is said, the battle will be fought on Labor Day. After Welch helped Wolgast to his feet, and rendered his "frank decision," said Levy, "I offered to start over again right there, but Welch disappeared and Jones and Wolgast refused. I am willing now to send Rivers back into the ring again without wasting any time."

Wolgast did not leave his training camp, to which he repaired immediately after the fight, until late today. Rivers was about town early. His right eye was cut and almost closed; his nose considerably swollen, and his mouth puffed and out. Wolgast also showed the marks of the poundings he had received. One of his ears gave signs of "cauliflowering"; both eyes were black, and there were several cuts between his forehead and chin.
